Dear West Virginia PEIA Medicare-Eligible Retiree:

In early September, we were excited to share that effective January 1, 2010, your medical coverage will be administered by Humana on behalf of the PEIA. With the Humana Medicare Advantage Plan, Humana serves as a single point of contact for your medical coverage and will process all of your medical claims on behalf of both Medicare and the PEIA. This makes it easier for you!

**What is a Medicare Advantage plan & how does it work?**

For some of you, having a Medicare Advantage plan is nothing new….Yet, for others, we want to take a moment to explain the highlights of this plan and how it works.

Your Humana Medicare Advantage Preferred Provider Organization (PPO) Plan works like this…

- Humana contracts with Medicare to provide you with all your Medicare Part A (hospital) and Part B (medical) coverage. We combine this plan with the PEIA so that you can receive comprehensive coverage by using only one medical ID card.
- Keep in mind that to be eligible you must have both Medicare Part A and Part B.
- Once you are enrolled in the Medicare Advantage Plan, Medicare services are covered through Humana, and are not paid by original Medicare.
- You no longer have to worry about multiple filings and coordination between your Providers of Medical Services and Medicare Part A and B.
- All of your medical claims will go directly from your Providers of Medical Services to Humana for processing.
- You can take advantage of a free gym membership through the SilverSneakers® program. If you live in Arizona or Pennsylvania, there is an alternative program called Silver&Fit™ available for you.
- A broad network of Providers of Medical Services is available for you to access, however, you are not required to use a network provider.

**Summary of Medical Coverage**

Please review the summary of your medical coverage included with this letter. In fact, numerous enhancements will be offered to you such as access to a 24-hour-a-day phone line with direct access to registered nurses, your own personal Web page where you can review your coverage, and a fitness program which offers free membership to a participating health club in your area.

MOST COMMONLY ASKED QUESTIONS
ABOUT THE HUMANA MEDICARE ADVANTAGE PLAN

1. Will the PEIA automatically put all Medicare retirees in the Humana Medicare Advantage Plan or will they give retirees a choice?
   All retirees currently enrolled in the Advantra Freedom Plan will automatically be placed in the Humana Medicare Plan. The Humana Medicare Advantage Plan will be the only option for most Medicare retirees.

2. How does the PPO Plan Work?
   You have the option to use any of the providers in the Humana Group Medicare Advantage PPO network for your care. You also have the option to use an out-of-network provider, so long as that provider accepts both Medicare Advantage and Humana’s terms of payment. Simply show your Humana Group Medicare Advantage PPO ID card, when you need to receive medical care.

3. How does the PFFS Plan Work?
   Like the PPO, you may use any provider that accepts both Medicare Advantage and Humana’s terms of payment. Simply show your Humana Group Medicare Advantage PFFS ID card, when you need to receive medical care.

4. How many ID cards will I have?
   You will have two ID cards- A Humana Group Medicare PPO card or PFFS card for your medical coverage through Humana, and your new Advantra Freedom prescription card. In late November, Humana is going to send you an ID card holder, which you can use to keep both your ID cards in one easy place.

Medicare-approved PPO and PFFS plans are available to anyone enrolled in both Part A and Part B of Medicare through age or disability. Enrollment period restrictions apply, call Humana for details.
