Enrollment Forms
- **Enrolling for the first time?** You must complete an enrollment form and make your benefit selections by checking the “Add Coverage” box.
- **Changing your benefits?** You must complete an enrollment form and change your selections by checking the “Change Coverage” box. Complete the line with the new coverage information.
- **Adding a new benefit?** You must complete an enrollment form and make your selections by checking the “Add Coverage” box. Complete the line with the new coverage information.
- **Keeping all of your current benefits?** All benefits will continue as currently enrolled.
- **Canceling current benefits?** You must complete an enrollment form and check the “Cancel Coverage” box for the benefit you want to cancel; otherwise it will automatically continue for the 2017 Plan Year.
- **Transferring to a new agency?** If you transfer from one agency to another, your benefits will remain the same. You must complete an enrollment form, mark box “Transfer” and turn the form in to your Benefits Coordinator.

If an employee currently has benefits with FBMC and is transferring from one participating agency to another participating agency and wants to keep their benefits with FBMC, the employee must meet with their Benefits Coordinator at the NEW agency to complete an enrollment form and mark it “transfer.”

When an employee transfers, it is the employee’s responsibility to provide their current benefits to the new agency. In the event that the new employee is unsure of his or her current benefits, the employee needs to contact the old agency to confirm coverage.

If an employee transfers from agency that did not participate to an agency that does participate, they will be treated as a “new hire”.

**Enrollment Deadline:** Sign and date your enrollment form. Submit your enrollment copy to your Benefit Coordinator no later than May 15, 2016.

---

**Keep Your Address Updated**
In order to protect your family’s rights, you should keep your employer and FBMC Benefits Management informed of any changes in the addresses of family members. You should also keep a copy, for your records of any notices you send to your employer and FBMC Benefits Management. Please see your Benefits Coordinator to complete the FBMC Demographic Change Form.

This program is also offered to some non-state agencies. Please check with your benefits department to see if you are eligible.

Upon certain qualifying events, spouses, children and employees may be eligible for group health plan coverage under COBRA law. Please contact FBMC Service Center at 1-844-55-WVA4U (1-844-559-8248) for more information.

A provision in the Patient Protection and Affordable Care Act (PPACA) allows for an employee’s adult child to be covered under the employee’s healthcare plan through the end of the month in which the adult child turns age 26. Coverage is in effect whether the adult child is/is not married or is/is not a student. For more information please read the FAQs at www.myFBMC.com.

Period of Coverage
Your period of coverage begins on July 1, 2016, and continues until June 30, 2017, unless you:

- Terminate employment
- Go on an unpaid leave of absence or
- Change your benefit elections in limited circumstances as further discussed under “Changing Your Coverage.”

COBRA Coverage
If you terminate employment, retire or go on unapproved leave, you can continue certain benefits by calling FBMC Service Center at 1-844-55-WVA4U (1-844-559-8248). According to federal and state law, you can continue your own and your dependents’ coverage if you terminate employment or have certain other qualifying events under COBRA. You will be notified of your rights and any continuable benefits you may have after you have notified FBMC that you have a qualifying event. Call FBMC Service Center at 1-844-55-WVA4U (1-844-559-8248) for details.

If you participated in a Medical FSA and a triggering event occurred during the plan year, making you eligible to continue your Medical FSA under COBRA until that plan year ended, your Medical FSA coverage will be canceled at the end of the plan year in which the triggering event occurred, unless otherwise required by law.

Retiree Coverage
During the 90 days prior to your anticipated retirement date, contact FBMC for your retiree enrollment packet. When you retire, the benefits that are currently offered are Dental, Vision, Hearing and Legal. Flexible Spending Accounts are not offered to retirees. If you are retiring, you have the option to meet with a Benefits Coordinator (BC) to discuss retiree benefits available and complete your enrollment form.

HIPAA-Special Enrollment Rights Pertaining to Group Health Plans
If you are declining enrollment for yourself or your dependent(s) (including your spouse) because of other health insurance coverage, you may, in the future, be able to enroll yourself or your dependents in this plan – provided that you request enrollment within 30 days after the other coverage ends.

Employees on Leave
Approved Medical Leave: If you go on medical leave because of your own disability (which includes pregnancy and disabilities resulting from pregnancy complications), your premium deductions will continue through the Mountaineer Flexible Benefits Plan as long as you receive a salary. The Family and Medical Leave Act may affect your rights concerning the continuation of your health benefits while on unpaid leave. Contact your BC for further information. For additional questions, call FBMC at 1-844-55-WVA4U (1-844-559-8248).

Approved Unpaid Leave: You can continue to receive coverage for certain benefits during the duration of your leave if you pay your premium to FBMC on an after-tax basis.

If you have not maintained a current premium status while on leave, you will be required to re-satisfy eligibility requirements when you return to active status, except as otherwise provided by law. Call FBMC Service Center at 1-844-55-WVA4U (1-844-559-8248) for further information on billing if you go on approved, unpaid leave.

If you are planning on a Leave of Absence, you will need to contact your BC to advise. To remit payment while on leave, you will need to send your payment to their BC. The BC will submit the payment with the Mt. Flex personal pay summary form to FBMC.
Hearing Health Care

Why have a Hearing Plan?
Hearing is one of the five natural senses that allow us to enjoy life and the world around us. Music, radio, television, movies, and theater all become less accessible and enjoyable without the benefit of hearing. And the loss of sounds like sirens and alarms can actually endanger your life.

Hearing is a valued life asset that can be protected, treated and assisted through a program for hearing healthcare. The EPIC Hearing Service Plan provides easy access to hearing health professionals--primarily physicians and audiologists who can help you achieve your maximum hearing potential throughout your life.

EPIC’s Five-Step Plan
The EPIC Hearing Service Plan starts with an evaluation of your ears and hearing. Diagnostic tests and measures will determine the course of treatment most likely to help you hear better. The EPIC Hearing Plan’s 5 Basic Steps to Good Hearing include:
1. Pure Tone Hearing Test – to determine if a hearing problem exists
2. Functional Assessment – to define the magnitude of the problem and the technology best suited to treat it
3. Hearing Aid Evaluation – to determine your ability to wear a hearing aid and select the best model and make
4. Fitting and Programming your hearing aid
5. Therapy and Training – to fine tune your device and maximize the benefits you receive.

How the EPIC Plan Works
1. Call EPIC at 866-956-5400.
2. A hearing counselor will register you and assist in determining your healthcare needs.
3. You will receive a Hearing Service Plan booklet outlining all plan benefits, services and pricing.
4. A hearing counselor will coordinate a referral to a provider location near your home or work.
5. Contact the provider, follow through with an appointment, examination and treatment.
6. EPIC will coordinate and manage the provider network, provider fee schedule, provider referral, customer service, account management and client reporting.
7. EPIC will assist you in coordinating any insurance benefits or coverages when applicable.
8. Contact EPIC at any time for assistance, advice or additional information at 866-956-5400.

When to call EPIC
If you or a family member experience any of the following, you may have a hearing problem that could be helped by a hearing health professional:
• Difficulty understanding voices and words (especially those of women and children)
• Occasional ringing in one or both ears
• Itching in the ear canals
• Difficulty understanding in noisy situations
• Turning up the television volume to understand the dialogue

In addition, some more serious symptoms merit immediate attention by a physician.
• A sudden hearing loss
• Spinning and dizziness with vomiting
• Persistent ringing in one ear
• Blood or fluid draining from one or both ears
• Persistent pain in one or both ears

Strong, healthy teeth create beautiful smiles. To give your smile the care and attention it deserves, Delta Dental offers you the Routine, Assistance, Basic and Enhanced Indemnity dental care plans.

With Delta Dental, you have complete freedom of choice in selecting a dentist. You can choose a dentist from the Delta Dental Premier® or Delta Dental PPO™ networks, or a dentist who does not participate in either network. Your choice of dentist can determine your cost savings.

Delta Dental PPO dentists will accept the Delta Dental PPO Maximum Plan Allowance (MPA)* or the dentist’s fee – whichever is less (the PPO Allowed Amount) – as payment in full for covered services. Copayments and deductibles may also apply.

Delta Dental Premier dentists will accept the Delta Dental Premier MPA (a slightly higher MPA) or the dentist’s total charge – whichever is less (Premier Allowed Amount) – as payment in full for covered services. Copayments and deductibles may also apply.

Non-participating dentists do not contract with Delta Dental to limit their costs. For services received from non-participating dentists, you may be responsible for these dentists’ total charges without limit by Delta Dental, including applicable Copayments and deductibles. Delta Dental will reimburse you for its portion of the PPO Allowed Amount.

Your total out-of-pocket payment is less if you go to a PPO dentist, and more if you go to a Premier dentist, and likely will be highest if you go to a non-participating dentist. Please call Delta Dental to find a participating dentist in your area at 1-800-932-0783, or visit www.deltadentalins.com.

Employees who visit a dentist under the Delta Dental PPO network or the Delta Dental Premier network, will receive the benefit of increased plan year maximums.

This year, you may enroll in any of the following four dental programs:

**Routine Plan**
The Routine plan is a discounted plan designed to cover diagnostic and preventive services only.

**Assistance Plan**
The Assistance plan is a discounted open network, managed-cost dental plan that allows employees the freedom to choose any dentist for treatment, but they receive the greatest benefits when they visit a Delta Dental participating dentist.

**Basic Plan**
The Basic plan is a low-cost plan designed to cover preventive and basic services only. Please look carefully at the plan descriptions in the chart before making your choice.

**Enhanced Plan**
The Enhanced plan is the most comprehensive coverage offered with this program and covers preventive, basic and major restorative, orthodontic and TMJ services.

**Further Information**
Eligible employees may cover your eligible dependent children to age 26, and spouses.

See the chart on page 13 for a partial list of covered services. Call Delta Dental for more information concerning your benefits, to view a list of exclusions or to request a claim form. Certificates of Coverage can be found at www.myfbmc.com.

* Deductible waived for diagnostic/preventive procedures at Delta Dental PPO Provider. Deductible applies to all services rendered by Delta Dental Premier and non-participating dentists.

* Percentage is based on Delta Dental's applicable Maximum Plan Allowance or the dentist's fee, whichever is less (the Allowed Amount). The Delta Dental payment under the program, plus the patient payment, equals the Allowed Amount, which is accepted by Delta Dental participating dentists as full payment. Participating dentists are paid directly by Delta Dental, and by agreement cannot bill you more than the applicable Copayment, deductible or charges where maximums have been exceeded for covered services. By selecting a participating dentist, you always limit your out-of-pocket costs. For services performed by non-participating dentists, Delta Dental sends the benefit payment directly to you. You are responsible for paying the non-participating dentist's total fee, which may include amounts in addition to your share of Delta Dental's Allowed Amount. Out-of-pocket costs may also include applicable Copayments, deductibles, charges where maximums have been exceeded, and services not covered by the Group Dental Service Contract. Maximum Plan Allowance is an amount, determined by Delta Dental, from claim charges submitted on a regional basis for a given service by dentists of similar training within the same geographical area. These charges are blended by Delta Dental with dentist fee information from a number of other sources, using various factors, subject to regulatory limitations and adjustment for extraordinary circumstances, such as extreme difficulty or unusual circumstances.

** Major Restorative, Prosthodontics, and Orthodontics require six month plan participation.

*** Enhanced benefits for pregnancy, which include an additional oral evaluation and a choice of an additional periodontal scaling, root planing or prophylaxis, or additional periodontal maintenance procedure are covered.
Vision Plans

MetLife Vision Plan continues to be your vision plan provider. MetLife Vision offers you the Full Service or Exam Plus vision coverage plans to help pay for your eyecare needs.

Full Service Plan
The Full Service Plan covers you and your family for all routine eye care, including eye exams, eyeglass lenses and frames, or contact lenses. When it’s time for an eye exam and/or eyeglasses, you can see any MetLife Vision doctor you want, or use a non-member doctor.

The Copayment for materials is $20. A member may receive an examination and contact lenses or spectacle lenses once every plan year. Contact lenses are in lieu of lenses and frames. In other words, if a member chooses to use the contact lens benefit, this utilizes the lenses and frame benefit. The member would then be eligible for the frame benefit on July 1.

Participants receive 20 percent savings on additional pairs of prescription glasses, non-prescription sunglasses and lens enhancements from a MetLife Vision Member Doctor. You can also receive a 15 percent discount on the participating doctor’s professional fees when you purchase prescription contact lenses. This benefit is available in conjunction with your MetLife Vision contact lens allowance, or you can use it to purchase contacts in addition to glasses.

These discounts may be used for 12 months following the date of the covered eye examination and are available from any participating MetLife Vision member doctor.

MetLife Vision’s Laser Vision Care Program now provides savings averaging 15 percent off the regular price or five percent off a promotional offer for laser surgery, including LASIK, Custom LASIK and PRK surgeries. This offer is only available at MetLife participating locations. Contact your MetLife Vision doctor for more information.

You may choose to cover your family by selecting the “Employee & Family” rates. You may cover your spouse and any children, stepchildren or foster children up to age 26.

Value-Added Benefit
Diabetic Eyecare Program – Provides additional coverage through medical diagnosis and procedure codes specifically targeted toward members with Type 1 diabetes.

† Copayments apply in-network (MetLife Vision Member Doctor) at the time of service.

* Within Plan Limitations. If you select a frame that costs more than your plan allowance, there will be an additional charge you will pay out of pocket. When you visit a MetLife Vision member doctor, ask him/her which frames are covered in full. The allowance is very competitive and ensures a good choice with little or no out-of-pocket cost.

There will be an extra cost if you select materials or services that are elective or cosmetic in nature, such as tints and scratch coatings.

** Exam and contact lenses are also covered once every plan year, if necessary, provided you have not received spectacle lenses in the same plan year. You may receive eyeglass frames every other plan year. You may receive either spectacle lenses or contact lenses in the plan year, but not both.

*** There is a single materials Copayment of $20 on lenses and frames or medically necessary contact lenses.

**** Fifteen percent discount applies to Member Doctor’s usual and customary professional fees for contact lens evaluation and fitting.

Exam Plus Vision Plan

Exam Plus is an alternative to the Full Service plan. When it’s time for an eye exam, you can see any MetLife Vision doctor you want or use a non-member doctor. Benefits include an eye exam once every plan year and discounts on materials and professional services through MetLife Vision member doctors. Your Copayment is $10 for your eye exam.

For glasses, a 20 percent discount will be applied to a MetLife Vision doctor’s usual and customary fee for prescription glasses and spectacle lens options, such as scratch coating and anti-reflective coating.

For contact lenses, a 15 percent discount will be applied on MetLife Vision member doctor’s professional services associated with all prescription contact lenses, which includes the contact lens exam (fitting and evaluation).

These discounts may be used for 12 months following the date of the covered eye examination and are available from any participating MetLife Vision Member Doctor.

MetLife Vision’s Laser Vision Care Program now provides savings averaging 15 percent off the regular price or five percent off a promotional offer for laser surgery, including LASIK, Custom LASIK and PRK surgeries. This offer is only available at MetLife participating locations.

How To Use These Plans

To obtain vision care benefits, call a MetLife Vision member doctor, identify yourself as a MetLife Vision patient and make an appointment. The doctor’s office will verify the patient’s eligibility and plan coverage and obtain authorization from MetLife Vision. There are no I.D. cards distributed with these plans.

The doctor will explain any additional charges. After you pay your Copayment, the doctor will take care of all the paperwork.

If you prefer, you can visit a non-member doctor and pay the doctor’s normal charges. Save your itemized receipt and mail it within six months of service date to:

Long-term Disability Income Plans

Employee Only, Pre-tax Benefit

Long-term Disability (LTD) insurance can help safeguard your family’s lifestyle and provide some peace of mind in the event you become disabled and are unable to work.

Because the State of West Virginia’s retirement plan may not provide you adequate protection in the event you become disabled, you should consider enrolling in one of the two Long-term Disability insurance plans offered by Standard Insurance Company.

When am I considered disabled?
During the benefit waiting period and the next 24 months you are considered disabled if, due to injury, physical disease, pregnancy or mental disorder, you are unable to perform with reasonable continuity the material duties of your own occupation, or you are unable to earn more than 80 percent of your pre-disability earnings while working in your own occupation.

Thereafter, you are considered disabled if, due to an injury, physical disease, pregnancy or mental disorder, you are unable to perform with reasonable continuity the material duties of any gainful occupation for which you are reasonably fitted by education, training and experience, or you are unable to earn more than 60 percent of your pre-disability earnings while working in your own or any other occupation.

What is the LTD benefit?
The monthly LTD benefit is based on your earnings from your public employer. The group insurance policy refers to these earnings as pre-disability earnings. The group policy has an actively-at-work requirement you must meet before your insurance will become effective.

You may apply for coverage under either Plan 1 or Plan 2. The monthly benefit under each plan is determined as follows:

**Plan 1:** 50 percent of the first $6,000 of your monthly pre-disability earnings, reduced by deductible income. The maximum monthly benefit is $3,000.

**Plan 2:** 70 percent of the first $8,571 of your monthly pre-disability earnings, reduced by deductible income. The maximum monthly benefit is $6,000.

Both plans have a minimum monthly LTD benefit of $100.

What is deductible income?
Deductible Income is income you receive or are eligible to receive from other sources. It includes, but is not limited to: sick pay or other salary continuation, workers’ compensation benefits, Social Security benefits, disability benefits from any other group insurance, 50 percent of earnings from work activity while you are disabled (after the first 12 months of your disability), and disability or retirement benefits you receive or are eligible to receive because of your disability under any state disability benefit law or similar law or your retirement plan.

How long can LTD benefits continue?
If you become continuously disabled before age 62, LTD benefits can continue during disability until age 65, or three years and six months if longer. If you become continuously disabled at age 62 or older, LTD benefits can continue during disability for a limited time. See the chart on Page 17.

What are the exclusions and limitations?
You are not covered for a disability caused or contributed to by: 1) a pre-existing condition (except as provided in your Certificate), 2) an intentionally self-inflicted injury or 3) war or any act of war. Benefits are not payable for more than 24 months for each period of disability caused or contributed to by a mental disorder, or for any period when you are not under the ongoing care of a physician.

What is the definition of a pre-existing condition?
If your disability results, directly or indirectly, from a pre-existing sickness or injury for which you received medical treatment or services, took prescribed drugs or medicines, or consulted a Physician within three (3) months before the most recent effective date of your insurance, you will receive no monthly benefit for that condition. However, this exclusion does not apply to a period of Disability that begins after you have been insured under the plan for 12 consecutive months.

The Pre-existing Condition Exclusion will apply to any added benefits or increases in benefits.

What are some of the features of this coverage?
- Coverage for disabilities occurring 24 hours a day both on or off the job.
- Insurance continues without premium payments while LTD benefits are payable.
- A survivors’ benefit may be applicable if you die while LTD benefits are payable.

Assisted Living Benefit:
This benefit is available when LTD benefits are payable. It provides additional income replacement if you become disabled and cannot perform two of six activities of Daily Living or suffer a Severe Cognitive Impairment, and the condition is expected to last 90 days or more. It increases the income replacement to 80 percent of your pre-disability earnings. The additional benefits paid under the Assisted Living Benefit are not reduced by deductible income. The maximum benefit amount for the Assisted Living Benefit cannot exceed $1,800 for Plan 1 or $857 for Plan 2. This benefit is available on both Plan 1 and Plan 2.

Lifetime Security Benefit:
This benefit provides a lifetime income to severely disabled employees, extending LTD benefits indefinitely by continuing to pay benefits, beyond the regular Maximum Benefit Period of age 65, until death at the original 70 percent level. Severely disabled means you cannot perform two of six activities of Daily Living or suffer a Severe Cognitive Impairment, and the condition is expected to last 90 days or more. Benefits paid under the Lifetime Security Benefit are reduced by deductable income. This benefit is available on Plan 2.
How long are benefits payable?
Your benefits are payable according to the following schedule:

<table>

This description is designed to answer some common questions about the Long-term Disability coverage. It is not intended to provide a detailed description of the plans. If you become insured, a more detailed description will be available in group insurance certificates provided to you. The controlling provisions are in the master group insurance policies. This description and the certificates do not modify the group policies or the insurance in any way.

When am I considered disabled?
You are considered disabled if, due to sickness, injury or pregnancy, you are unable to perform with reasonable continuity the material duties of your own occupation or you are unable to earn more than 60 percent of your pre-disability earnings while working in your own occupation.

What is the STD benefit?
The weekly Short-term Disability (STD) benefit is based on your earnings from your public employer. The group insurance policy refers to these earnings as pre-disability earnings.

The weekly benefit is 70 percent of your pre-disability earnings, reduced by deductible income. The maximum weekly benefit is $750. The minimum weekly benefit is $15.

What is deductible income?
Deductible income includes 50 percent of earnings from work activity while you are disabled, and disability benefits you receive or are eligible to receive because of your disability under any state disability benefit law or similar law.

When do STD benefits become payable?
If your STD claim is approved by Standard Insurance Company, STD benefits become payable at the end of the 30-day benefit waiting period. During this 30-day period, no STD benefits are payable. The Group Policy has an actively-at-work requirement you must meet before your insurance will become effective.

How long can STD benefits continue?
STD benefits can continue during disability until no longer disabled, but no longer than the 180th day of disability.

What are the exclusions and limitations?
You are not covered for a disability caused or contributed to by: 1) a work-related injury, 2) an intentionally self-inflicted injury or 3) war or any act of war. Benefits are not payable for any period when you 1) receive or are eligible to receive sick leave, 2) are working for any employer other than the State of West Virginia or your public employer, 3) are eligible for any benefits under a workers’ compensation act or similar law or 4) are not under the ongoing care of a physician.

This description is designed to answer some common questions about the Short-term Disability coverage. It is not intended to provide a detailed description of the plan. If you become insured, a more detailed description will be available in group insurance certificates provided to you. The controlling provisions are in the master group insurance policies. This description and the certificates do not modify the group policies or the insurance in any way.

For rules governing the taxes on the insurance payments you may receive, please read the Beyond Your Benefits section in the back of this Reference Guide.

Here’s an affordable solution to help with your legal needs.
Finding an affordably-priced lawyer to represent you when you buy or sell your home or even prepare your will can be a challenge. Did you ever wish you could pick up the phone and call a lawyer for some quick advice? For just pennies a day, the Legal Plan gives you your own “attorney on retainer.” The Legal Plan also covers full representation for many important personal legal services. There are no maximum coverage limitations, and you may use the plan for an unlimited number of personal legal matters.

How do I use the plan?
When you face a situation that you think may have legal implications, simply pick up the phone and call 1-800-821-6400 Monday-Friday, 8 a.m. to 7 p.m. (Eastern Time). A knowledgeable client service representative will be available to assist you in locating a Plan Attorney near your home or workplace. Plan Attorneys are generally available to meet with you on weekdays, evenings and even Saturdays. Or, visit members.legalplans.com.

In or Out-of-Network?
Hyatt has more than 4,000 law firms in its nationwide network. When you use a Plan Attorney, covered legal services are provided at no additional attorney fees. Of course, you also have the flexibility to use a non-Plan Attorney and get reimbursed for covered services according to a set fee schedule. You will be responsible to pay the difference between the plan’s payment and the Attorney’s fees. It’s completely your choice.

The Legal Plan does not cover the tax planning necessary to decide what documents you need.

Flexible Spending Accounts (FSAs)

Medical FSA
A Medical FSA is used to pay for eligible medical expenses that aren't covered by your insurance or other plan. These expenses can be incurred by you, your spouse, a qualifying child or relative. Your full annual contribution amount is available at the beginning of the plan year, so you don't have to wait for the money to accumulate.

Dependent Care FSA
The Dependent Care FSA is a great way to pay for eligible dependent care expenses such as after school care, baby-sitting fees, elder care services, nursery and preschool. Eligible dependents include your qualifying child, spouse and/or relative.

You can request reimbursement from your Dependent Care FSA as often as you like. However, your approved expense will not be reimbursed until the last date of service for which you are requesting reimbursement has passed. Also, remember that for timely processing of your reimbursement, your payroll contributions must be current.

Typical FSA-Eligible Expenses
Use your FSA to save on hundreds of products and services for you and your family.

Eligible expenses are defined by the IRS and your employer. For details and more eligible expenses, visit: www.wageworks.com/employees/benefits/healthcare-flexible-spending-accounts-fsa/fsa-eligible-expenses.aspx.

Using Your FSA Dollars
When you pay for an eligible health care or dependent care expense, you want to put your account to work right away. WageWorks gives you several convenient reimbursement options.

Filing a claim
You can file a claim online to request reimbursement for your eligible expenses. To submit a paper claim by fax or mail, log into your account, download a Pay Me Back claim form and follow the instructions for submission. You may also contact Customer Service at 1-855-428-0446 to obtain a claim form.

• Go to www.wageworks.com, log into your account and click the Health Care or Dependent Care tab.
• Select the online claim form.
• Fill in all the information requested on the form and submit.
• Scan or take a photo of your receipts, Explanation of Benefits (EOBs) and other supporting documentation.
• Attach supporting documentation to your claim by using the upload utility.
• Make sure your documentation includes the five following pieces of information required by the IRS:
  ✓ Date of service or purchase ✓ Patient name
  ✓ Detailed description ✓ Patient portion
  ✓ Provider or merchant name ✓ (or amount owed)

Most claims are processed within one to two business days after they are received, and payments are sent shortly thereafter.

• If you use your card at an eye doctor’s or dentist’s office, you will most likely be asked to submit an EOB or other documentation for verification. Failure to do so will result in your card being suspended.
• If you lose your card, please call WageWorks immediately and order a new one. You will be responsible for any charges until you report the lost card.

Examples of how to use your FSA

Medical FSA Example:
 Paying for an office visit
After paying for your care at a service provider’s office, obtain an EOB or detailed receipt of the completed services. Submit these documents, along with a claim form, to WageWorks. Within five business days, WageWorks will process your request and mail your reimbursement check to you or direct deposit your funds into the account of your choice.
Or, you may have the ability to use your WageWorks Health Care card, and have instant access to your medical reimbursement funds (see Page 23 for more information on the WageWorks Health Care card).

Dependent Care FSA Example:
 Paying for dependent care services
Once you have paid for (and received) dependent care service, send a completed claim form to WageWorks, along with documentation showing the following:

• Provider Name – Facility name or person who provided the service.
• Dates of Service – Start and end dates for services provided.
• Service Description – Detailed description for services provided.
• Amount – The amount incurred for the services.
• Dependent Name – Person who received the service.

Your request will be processed within five business days and either mailed to you or deposited into the account you have chosen.

Whose expenses are eligible?
You may use your Dependent Care FSA to receive reimbursement for eligible dependent care expenses for qualifying individuals. A qualifying individual includes a qualifying child, if they:
• are a U.S. citizen, national or a resident of the U.S., Mexico or Canada
• have a specified family-type relationship to you
• live in your household for more than half of the taxable year
• are 13 years old or younger and
• have not provided more than one-half of their own support during the taxable year.

A qualifying individual includes your qualifying spouse, if they:
• are physically and/or mentally incapable of self-care
• live in your household for more than half of the taxable year and
• spend at least eight hours per day in your home.

A qualifying individual includes your qualifying relative, if they:
• are a U.S. citizen, national or a resident of the U.S., Mexico or Canada
• are physically and/or mentally incapable of self-care
• are not someone else’s qualifying child
• live in your household for more than half of the taxable year
• spend at least eight hours per day in your home
• have a gross income less than the exemption amount and
• receive over one-half of their support from you during the taxable year.

NOTE: If you are the tax dependent of another person, you cannot claim qualifying individuals for yourself. You cannot claim a qualifying individual if they file a joint tax return with their spouse. Only the custodial parent of divorced or legally-separated parents can be reimbursed using the Dependent Care FSA.

Applay Process
If you have a reimbursement claim denied, in full or in part, you have the right to appeal the decision by sending a written request for a review within 30 days of the initial denial.

Your appeal must include:
• The name of your employer
• Your contact information, including an email address so that you may be contacted easily and timely
• Why you believe your request for a variance should be considered
• Any additional documents, information or comments you think may have a bearing on your appeal.
• If your appeal is the result of a denied reimbursement request, you must also include, the date of the services for which your request was denied, a copy of the denied request, and the denial letter you received

Your appeal will be reviewed upon receipt and its supporting documentation. You will be notified of the results of this review within 30 business days from receipt of your appeal. In unusual cases, such as when appeals require additional documentation, the review may take longer than 30 business days. If your appeal is approved, additional processing time is required to modify your benefit elections.

IMPORTANT NOTE: Appeals are approved only if the extenuating circumstances and supporting documentation are within your employer’s, insurance provider’s and IRS regulation’s governing the plan.

What happens if I have money left in my account at the end of the plan year?
Your employer offers an IRS-approved “grace period” through September 15, 2017. During this brief window, you may spend down any remaining balance in your account on eligible expenses. The grace period applies to the medical expense FSA only. If you incur additional expenses during the grace period, any funds remaining in your prior year account will be used first until exhausted before using funds you may have in a new account. This will keep forfeiture to a minimum for you.

Be sure to submit for reimbursement all eligible dependent care and medical claims that you incurred during the plan year or grace period before the end of your run-out period which is October 31, 2017. Once the runout period ends, any remaining funds in your account will be forfeited to the State of West Virginia.

Important FSA Notes:
• You may, however, continue using your Medical Expense FSA during the grace period (September 15, 2017), which is two months and 15 days after the end of your plan year. Be sure to submit your grace period claims before the end of your 120-day run-out period. During the grace period, you may incur expenses and submit claims for those expenses. The grace period does not apply to Dependent Care FSAs.
• You have a 120-day run-out period (ending October 31, 2017) after your plan year ends to submit reimbursement requests for all eligible FSA expenses (for both Medical Expense or Dependent Care FSAs) incurred DURING your plan year.

How To…

Use your card
You can use your card in these ways:
1) For eligible goods and services at health care providers and select pharmacies
2) For eligible over-the-counter (OTC) non-drug items at general merchandise stores (including most drugstores) that have an industry standard (IIAS) inventory and checkout system
3) For prescribed OTC drugs at the pharmacy counter, as long as the drug is dispensed as a valid prescription. In most instances, your card transaction will be verified at checkout, which means you will not have to submit a receipt to WageWorks after the transaction. You are, however, required to keep each receipt for tax purposes, and in the event it is needed for verification.

Before shopping for prescriptions and over-the-counter items, always visit www.sigis.com for a list of merchants that have an IIAS system in place.

Use your card at the doctor or other health care provider
If you use the card at a health care provider or at a pharmacy that does not have an IIAS system, WageWorks will likely require that you submit a receipt or your health insurance EOB to verify that the transaction was for an eligible health care expense or service.

Verify a card transaction after the purchase
If WageWorks is unable to determine that your card was used to pay for eligible health care products and services, you will need to take the following action to verify the transaction:
- Log into your account at www.myFBMC.com
- Click on the “Submit Receipts or Claim below the Dashboard Link.

- Select “Health Care Card CARD RECEIPT” to verify a card transaction.
- Select the unverified transaction
- Scan and upload the corresponding receipt and/or documentation
- If you have lost or misplaced the receipt, you can submit a substitute receipt of equivalent value or repay your account.
- To mail or fax your documentation:
  Fax Toll-Free: 1-855-291-0625
  Mail to: Claims Administrator
  P.O. Box 14326
  Lexington, KY 40512

Make sure your receipts meet the requirements for verification
In order for the receipt (or any documentation) to be valid, it must include the five specific pieces of information required by the IRS:
- The patient name
- Provider name
- Date of service
- Type of service
- The amount you were charged or your cost (e.g. your deductible or co-pay amount or the portion not covered by your insurance)
- For OTC prescriptions drugs, the receipt must also include the prescription number. If not included, a copy of the prescription must accompany the receipt.

Know when a card transaction needs to be verified
WageWorks will notify you of any card transactions that require attention by email and when you log into your account.

Download the WageWorks® EZ Receipts Mobile App
You’ll love the convenience of the WageWorks® EZ Receipts® mobile app. This handy free app is the quick and easy way to manage your WageWorks benefits. It puts the power of the WageWorks web portal in the palm of your hand. Download this free app to your iPhone, Android, or Blackberry mobile device, log in to your WageWorks account, and check your balances, submit claims, snap and submit photos of receipts—all on the go!

Quick Tips
Log into your account at www.myFBMC.com regularly to see if you have any card transactions in need of verification.

If you have a card transaction that requires verification, you will be notified immediately on the Welcome page upon login and via email. Remember to also monitor the statement of activity page for pending transactions, as it can take up to three weeks to verify a purchase. If a pending transaction cannot be verified, the status will update to “Receipt Needed.”

Avoid problems: Act quickly to resolve all unverified transactions.
You have 90 days from the date of the transaction to take care of any outstanding unverified purchases. If you do not take action within 90 days:
1. The amount of any outstanding unverified card transactions may be deducted from your next Pay Me Back claim submission.
2. Your card will be suspended.

If your card is suspended, it will be reactivated within 24–48 hours after receipts or repayment have been processed for all unverified card transactions.
FSA Worksheets

Use the worksheets below to determine how much to deposit in your FSA. Calculate the amount you expect to pay during the plan year for eligible, uninsured out-of-pocket medical and/or dependent care expenses. This calculated amount (including the administrative fees) cannot exceed established IRS and plan limits. (Refer to the individual FSA descriptions in this Reference Guide for limits.)

Be conservative in your estimates, since any money remaining in your accounts cannot be returned to you or carried forward to the next plan year.

Direct Deposit delivers your money to you faster, and unlike with a check, the funds are in your account automatically – no waiting in bank or ATM lines; no waiting for it to clear.

You will have the opportunity to elect Direct Deposit reimbursements when setting up your profile.

Please note the bank information entered will be sent to the bank to confirm the account number. Any reimbursements issued during this prenote process will be issued as a check until this process has been completed. If you do not want your reimbursements sent via direct deposit, you may have your reimbursements sent via a check to your home address.

*There is no administrative charge for a Flexible Spending Account.*
A Health Savings Account (HSA) is a tax-free account that can be used to pay health care expenses. Unlike money in a Flexible Spending Account, the funds do not have to be spent in the plan year they are deposited. Money in the account, including interest or investment earnings, accumulates tax-free, so the funds can be used to pay qualified medical expenses in the future. An important advantage of an HSA is that it is owned by the employee. If you leave your job, you can take the account with you and continue to use it for qualified medical expenses.

Who is eligible to contribute to an HSA?

- Employees must be covered by an eligible, high deductible health plan (PEIA Plan C).
- Employees cannot be covered by any other health plan that is not a qualified high deductible health plan, including Medicare. However, they may be covered for specific injuries, accidents, disability, dental care, vision care and long-term care.
- Participants cannot be claimed as a dependent on another person’s tax return.

How much can I contribute to my HSA?

If you enroll in an HSA and elect to make contributions, your contributions are deducted on a pre-tax basis. An individual with single coverage may contribute up to $3,350 a year to an HSA. Those covering more than one family member may contribute up to $6,750 a year. Please visit [www.irs.gov/pub/irs-pdf/p969.pdf](http://www.irs.gov/pub/irs-pdf/p969.pdf) for updates. These limits, established by the federal government and subject to change, are tied to the rate of inflation. An individual age 55 and older may make “catch-up” contributions of up to $1,000 above the limits shown above in 2017. You may also make after-tax contributions, which apply toward the maximum annual limit(s). You will receive additional information when you enroll.

Can I transfer funds from my IRA to my HSA?

A one-time irrevocable trustee-to-trustee transfer of IRA funds to an HSA will be allowed as long as the transferred amount does not exceed the annual HSA contribution limits. Any transfer from an IRA to an HSA will reduce the maximum amount that may be contributed to an HSA during a calendar year.

How do I get funds out of my HSA?

After enrolling in the HSA and completing an HSA application, your contributions will be sent to the custodian, Synovus. The HSA custodian will establish an individual account for you and mail you up to two VISA debit cards to your home address at no charge. You may order additional cards or a small supply of checks by contacting the HSA Customer Service Line at 1-877-367-4HSA. You may use the debit card or checks to get funds out of your HSA. Remember, as long as you are taking funds out for qualified medical expenses incurred on or after the date the HSA was established, there are no taxable consequences to you. However, if you withdraw funds for ineligible expenses, you may have to pay taxes and penalties on those funds, unless you reimburse your HSA for the ineligible amount. You may only use the funds that have accumulated to date.

Will I be charged any banking or custodian fees?

There are no longer any per pay period administrative fees for using your HSA. However, the custodian will charge you $3 per month for your HSA. This fee includes the VISA debit card, all transaction fees associated with the card, monthly statements and other banking services. The $3 per month maintenance fee can be waived with an average daily balance of $2,500. The debit card should be used for your purchases. In the rare situation where you may need to write a check, there is a nominal $1 charge per check. The custodian will deduct these fees automatically from your HSA. Other fees may apply, including fees for insufficient funds. Refer to the Synovus Fees and Charges for more information.

By using an HSA to pay for anticipated recurring expenses, you convert the money you save in taxes to additional spendable income. That’s a potential annual savings of $1,032!

* Based upon a 20.65% tax rate (15% federal and 7.65% Social Security) calculated on a calendar year.

---

1 Please consult your tax advisor or IRS Publication 502 with questions regarding these expenses, qualified health plans, and tax information. Accounts opened prior to March 1, 2017 will continue their current fee structure of $2 per month maintenance fee waived with an average daily balance of $2,500 and a $0.50 per check written fee. Other fees may apply, including fees for insufficient funds. Refer to the Synovus Fees and Charges for more information.

2 The “catch-up” contribution rule applies to employees who are or become age 55 prior to 12/31 of the election year.

3 Please consult a tax advisor. Certain restrictions apply.
Health Savings Account (HSA)

Are my HSA funds invested?
Your funds will be held initially in an interest-bearing checking account at Synovus. To check the current rate on this account, call the HSA Customer Service Line at 1-877-367-4HSA.

Once your HSA balance reaches $3,550, you may invest a portion of your account balance in Fidelity Investments® Class “T” mutual funds offered through Synovus Securities, Inc., the bank’s brokerage provider. Your minimum initial investment in each fund must equal $2,500; after this initial investment, you may make periodic investments in increments of $100 or more. Additional information will be sent once your account balance reaches $3,550. There is an annual investment fee of $25. The mutual funds available under your HSA are:

- Fidelity Advisor Diversified International Fund
- Fidelity Advisor Small Cap Fund
- Fidelity Advisor Mid Cap II Fund
- Fidelity Advisor Dividend Growth Fund
- Fidelity Advisor Balanced Fund
- Fidelity Investment Grade Bond Fund
- Fidelity Advisor New Insights Fund
- Fidelity Advisor Money Market Fund
- Fidelity Advisor Strategic Income Fund

Are there any special tax forms or tax reporting that I must complete when filing my income taxes?
The bank will send your tax filing information, after the end of the taxable year, for your use in reporting contributions to your HSA and to report any withdrawals or distributions from your HSA. It is important that you save receipts, invoices and any explanations of benefits received from your health insurance carrier as documentation, in case you are ever asked to show proof of qualified medical expenses to the IRS.

What if I exceed the annual contribution limits established by the IRS?
The custodian will send a courtesy notice around October reminding you to check your account balance and ensure that you are not exceeding the allowable annual contribution limits. You may decrease or stop your contributions accordingly, but the best way to ensure that you do not exceed the annual contribution limit is to elect a per-pay-period contribution that ensures you will not exceed the annual limit. Of course, you can add the “catch-up” contribution amount to these annual limits if you are age 55 or older. The catch-up contribution for 2017 is $1,000.

Regarding the HSA Section (on your enrollment form), you must agree to the following:
- I understand that when starting an HSA and electing my initial HSA contribution amount, I am required to complete additional forms that will be provided by email to your Benefit Coordinator from FBMC and give instructions on how to download an application and access the link. I also understand my HSA will not be created until this documentation is properly completed and received by the HSA Custodian.
- If I have enrolled in an HSA, I certify that I am covered by the PEIA PPB Plan C (High-Deductible Health Plan), and I am not covered by a health plan other than an HDHP that provides any of the same benefits as an HDHP. I have reviewed and agree to the terms and conditions found in the Health Savings Custodial Account Disclosure Statement and Funds Availability Disclosure Statement amendments thereto. (Contact your benefits administrator for a copy of this statement.) I assume sole responsibility for all consequences relating to my actions concerning this HSA. I understand that I may revoke this HSA on or before seven (7) days after the date of establishment as outlined in the Funds Availability Disclosure Statement. (Contact Service Center at 1-844-55-WVA4U (1-844-559-8248). I have not received any tax or legal advice from the custodian, and I will seek the advice of my own tax or legal professional to ensure my compliance with related laws. I release and agree to hold the HSA custodian harmless against any and all claims or losses arising from my actions. I also understand: 1) the HSA maximum contributions, established by the federal government and subject to change, are tied to the rate of inflation; 2) the maximum monthly contribution is calculated based on the annual allowable amount and number of months remaining in the contribution year; and 3) a subscriber age 55 and older may make “catch-up” contributions to an HSA. In 2017, that subscriber can contribute up to $1,000 above the limit.
- I understand I can change my HSA contribution once a month. The change is effective at the beginning of the first month after the change is requested. Re-enrollment is not required each plan year.

May I have an HSA and a Medical FSA?
Yes, individuals may enroll in a Limited-Use Medical FSA to pay certain eligible expenses. The Limited-Use Medical FSA may be used to pay expenses not covered by your HSA or a high deductible health plan, including dental, vision and preventive care expenses not covered by PEIA Plan C. Dependent Care Spending Account eligibility is not affected by your HSA participation. You can save money and pay less tax too by enrolling in an Limited Use Medical FSA, HSA or both. These are Pre-tax benefits that you can take advantage of either independent of each other or together.

Remember, Limited-Use Medical FSAs are available to HSA participants. Dependent Care Spending Account eligibility is not affected by your HSA participation.

Limited-Use Medical FSA

For HSA Participants Only

What is a Limited-Use Medical Reimbursement Account?
A Limited-Use Medical FSA is designed specifically for employees who wish to take advantage of a Health Savings Account (HSA), while continuing to enjoy the tax savings expected from an FSA. Much like a Medical FSA, funds are set aside from your salary before taxes are deducted, allowing you to pay your eligible expenses tax free. However, the funds in a Limited-Use Medical FSA can only be used for dental, vision and preventive care expenses not covered by your high deductible health plan. Your HSA is designed to be used for all other medical-related expenses. A partial list of eligible Limited-Use Medical FSA expenses can be found on this page.

Aside from these minor differences, a Limited-Use Medical FSA follows the same procedures for reimbursement as a Medical FSA.

Whose expenses are eligible?
Your Health Care Flexible Spending Account may be used to reimburse eligible expenses incurred by yourself, your spouse, your qualifying child or your qualifying relative.

Note: There is no age requirement for a qualifying child if they are physically and/or mentally incapable of self-care. An eligible child of divorced parents is treated as a dependent of both, so either or both parents can establish a Medical FSA. Only the custodial parent of divorced or legally-separated parents can be reimbursed using the Dependent Care FSA.

Partial List of Medically Necessary Eligible Expenses*
- Birth control pills and devices for dependent children
- Contact lenses (corrective)
- Dental fees
- Eyeglasses
- Guide dogs
- LASIK
- Optometrist fees
- Orthodontic treatment

Note: Budget conservatively. No reimbursement or refund of a Limited Medical FSA funds is available for services that do not occur within your plan year.

* IRS-qualified expenses are subject to federal regulatory change at any time during a tax year.

When are my funds available?
Once you sign up for a Limited-Use Medical FSA and decide how much to contribute, the maximum annual amount of reimbursement for eligible expenses will be available throughout your period of coverage.

Since you don't have to wait for the cash to accumulate in your account, you can use it to pay for your eligible expenses at the start of your plan year, which is July 1, 2016.

You will receive a WageWorks Health Care card with your Limited-Use Medical FSA.

Minimum Annual Deposit: $0
Maximum Annual Deposit: $2,550

Changing Your Coverage

Changing your benefits during the plan year
Within 60 days of a qualifying event, you must submit an election form and supporting documentation to your Benefits Coordinator. Upon the approval of your election change request, your existing benefit elections will be stopped or modified (as appropriate). However, if your benefit election change request is denied, you will have 60 days, from the date you receive the denial, to file an appeal with your employer. For more information, contact FBMC Service Center or your Benefits Coordinator. Visit www.myFBMC.com for information on rules governing periods of coverage and IRS Special Consistency Rules.

What is continuation coverage?
Federal law requires that most group health plans, including Medical Flexible Spending Accounts (Medical FSAs), give employees and their families the opportunity to continue their health care coverage when there is a “qualifying event” that would result in a loss of coverage under an employer’s plan.

How long will continuation coverage last?

For Medical FSAs:
If you fund your Medical FSA entirely, you may continue your Medical FSA (on a post-tax basis) only for the remainder of the plan year in which your qualifying event occurs, if you have not already received, as reimbursement, the maximum benefit available under the Medical FSA for the year. For example, if you elected a Medical FSA benefit of $1,000 for the plan year and have received only $200 in reimbursement, you may continue your Medical FSA for the remainder of the plan year or until such time that you receive the maximum Medical FSA benefit of $1,000.

If your employer funds all or any portion of your Medical FSA, you may be eligible to continue your Medical FSA beyond the plan year in which your qualifying event occurs and you may have open enrollment rights at the next open enrollment period. There are special continuation rules for employer-funded Medical FSAs. If you have questions about your employer-funded Medical FSA, you should call FBMC Service Center at 1-844-55-WVA4U (1-844-559-8248).

For Dental, Vision or Hearing Plan Coverage(s):
At COBRA Open Enrollment, a qualified beneficiary is given the opportunity to change his or her group health plans (including dental, vision and/or hearing plans), or to drop dependents or to add eligible dependents who are not already on COBRA. If you have questions, you should call FBMC Service Center at 1-844-55-WVA4U (1-844-559-8248).

For More Information
This COBRA section does not fully describe continuation coverage or other rights under the plan. More information about continuation coverage and your rights under the plan is available from your employer. You can get a copy of your summary plan description from the Public Employees Insurance Agency (PEIA).

For more information about your COBRA rights, the Health Insurance Portability and Accountability Act (HIPAA) and other laws affecting group health plans, contact the U.S. Department of Labor’s Employee Benefits Security Administration (EBSA) in your area or visit the EBSA website at www.dol.gov/ebsa.

COBRA benefits are administered by PayFlex.
Deferred Compensation (457 Plan)
Participating in the Flexible Benefits Plan may affect your maximum annual contribution to the 457 plan. That is, Flexible Benefits Plan contributions reduce includible compensation* from which the maximum deferrable amount is computed. You should contact the Deferred Compensation vendor or the Tax Deferred Annuity (TDA) provider about the specific effect of the Flexible Benefits Plan.

* Includible compensation is the gross income shown on your W-2 form.

Taxable Benefits and the IRS
Certain benefits may be taxed if you become disabled, depending on how the premiums were paid during the year of the disabling event. Payments, such as disability, from coverages purchased with pre-tax premiums and/or nontaxable employer credits, will be subject to federal income and employment (FICA) tax. If premiums were paid with a combination of pre-tax and after-tax dollars, then any payments received under the plan will be taxed on a pro rata basis. If premiums were paid on a post-tax basis, you will not be taxed on the money you receive from the plan. You can elect to have federal income tax withheld by the provider just as it is withheld from your wages. Consult your personal tax adviser for additional information.

In addition, FICA and Medicare taxes will be withheld from any disability payments paid through six calendar months following the last calendar month in which you worked prior to becoming disabled. Thereafter no FICA or Medicare tax will be withheld.

You will be required by the IRS to pay FICA, Medicare, and federal income taxes on certain other benefit payments, such as those from Hospital Indemnity Insurance, Personal Cancer Expense Insurance and Hospital Intensive Care Insurance, that exceed the actual medical expenses you incur, if these premiums were paid with pre-tax dollars and/or nontaxable employer credits. If you have questions, consult your personal tax adviser.

According to IRS regulations, you can pay life insurance premiums tax free on your first $50,000 of life insurance. You must pay tax on premiums for coverage exceeding $50,000.

In some instances, FBMC may also be authorized by one or more of the insurance companies underwriting the benefits offered herein to provide certain services, including (but not limited to) marketing, underwriting, billing and collection of premiums, processing claims payments, and other services. FBMC is not the insurance company or the policyholder.

2. The policyholder is the entity to whom the insurance policy has been issued. The policyholder is identified on either the face page or schedule page of the policy or certificate.

3. The insurance companies noted herein have been selected by your employer, and are liable for the funds to pay your insurance claims.

If FBMC is authorized to process claims for the insurance company, we will do so promptly. In the event there are delays in claims processing, you will have no greater rights to interest or other remedies against FBMC than would otherwise be afforded to you by law. FBMC is not an insurance company.

Social Security
Social Security consists of two tax components: the FICA or OASDI component (the tax for old-age, survivors' and disability insurance) and the Medicare component. A separate maximum wage to which the tax is assessed applies to both tax components. There is no maximum taxable annual wage for Medicare. The maximum taxable annual wage for FICA is subject to federal regulatory change. If your annual salary after salary reduction is below the maximum wage cap for FICA, you are reducing the amount of taxes you pay and your Social Security benefits may be reduced at retirement time.

However, the tax savings realized through the Flexible Benefits Plan generally outweigh the Social Security reduction. Call FBMC Service Center at 1-844-55-WVA4U (1-844-559-8248) for an approximation.
