Pharmacy Benefit Manager Audit

SECTION 1 – INTRODUCTION

The West Virginia Public Employees Insurance Agency (PEIA) is seeking a vendor to audit its pharmacy benefit manager (PBM) contract and the services provided under the contract by Express Scripts. The audit to be performed under this RFP must meet PEIA's objectives to determine the PBM's compliance with pricing agreements, benefit set up, contract terms, and quality control procedures.

A more complete description of the services sought for this project is provided in Section 3, Scope of Services. Proposals submitted in response to this solicitation must comply with the instructions and procedures contained herein.

Background

PEIA is an agency of the State of West Virginia which administers benefits for approximately 71,000 active employees and COBRA participants. PEIA also administers benefits for 40,000 retired employees and surviving dependents on behalf of the West Virginia Retiree Health Benefits Trust Fund. There are 180,563 average participants during the month of June 2015 being covered by the PEIA prescription drug plan. Combined total annual pharmacy costs are approximately \$185 million.

In the PEIA Prescription Drug plan, participants are responsible for cost sharing in the form of an annual deductible, coinsurance, and copayments. Amounts paid by the individual apply to a separate annual prescription out-of-pocket amount and do not apply to the maximum annual medical out-of-pocket amount, except for Plan C (approximately 500 members), which has a combined medical and prescription drug deductible and out-of-pocket. The prescription drug program is administered by Express Scripts.

Prescription Drug Benefits

PEIA's prescription drug program is administered by Express Scripts. There are three parts to the program:

1. The Retail Pharmacy Program gives access to local participating pharmacies to get prescriptions filled;
2. The Express Scripts Mail Service Pharmacy Program allows members to order their prescriptions through the mail, saving time and money by having maintenance prescriptions delivered to the member's door;
3. The Specialty Medication Program is broken into two (2) parts: medical (administered by HealthSmart) and pharmacy (administered by ESI). If a drug is physician or facility administered, or is a new specialty medication during the period July 1, 2013 through June 30, 2016 it falls under medical. Self-administered specialty drugs filled through Curacripts and Accredo are under the pharmacy plan and are part of this audit. The HealthSmart Specialty Medication Program is **not part of this audit**

PEIA's prescription drug benefits pay for a wide range of medications, with differing copayments depending on where the drugs are purchased and how large the day supply is.

Details of the prescription drug program are provided on pages 70-85 of the 2016 Summary Plan Description:

Plan C http://www.peia.wv.gov/forms-and-downloads/Documents/summary_plan_descriptions/Summary_Plan_DescriptionC.pdf

Manner of Payment

PEIA prefers a fee structure based on a percentage of actual dollars recovered. Complete the table on Appendix B below with the proposed percentage for the contingency fee. There will be no direct costs billed to the PEIA (i.e., postage costs, such as the cost of stamps or meters, will not be charged to the PEIA).

Inquiries

Bidders may submit, in writing, any specific questions or clarifications prior to the date shown in the following Time Requirements section. Written or verbal questions received later than the date and time shown in the following Time Requirements section, shall not be answered. All questions with responses will be provided to all potential Bidders who are known, on the date and time shown in the following Time Requirements section. The questions may be submitted via fax or email; however, PEIA assumes no liability for assuring accurate/complete FAX/email transmission/receipt and will not acknowledge receipt except by addressing the question.

The issuing agent for this RFP is the PEIA. All communication, inquiries, and final quotations regarding this RFP **must** be submitted in writing to the following individual:

Confidentiality/Public Record

PEIA requests that all information provided to prospective firms as part of this RFP, as well as all subsequent evaluations and discussions, be used exclusively for purposes of responding to the RFP and any subsequent discussions related thereto.

News releases that pertain to this RFP, or contract resulting therefrom, must not be made without prior approval of the State of West Virginia, and then only in coordination with PEIA.

Ownership of all data, materials and documentation originated and prepared for PEIA pursuant to the RFP shall belong exclusively to the State.

Vendor shall have access to private and confidential data maintained by the participating agencies to the extent required for the Vendor to carry out the duties and responsibilities defined in this contract. Vendor agrees to maintain confidentiality and security of the data made available, shall comply with all applicable confidentiality laws or regulations, including HIPAA, and shall indemnify and hold harmless the State and the participating agencies against any and all claims brought by any party attributed to actions of breach of confidentiality by the Vendor, subcontractors, or individuals permitted access by the Vendor.

Vendor agrees to the terms of the West Virginia State Government Covered Entity HIPAA Business Associate Addendum. (See Appendix D)

Submissions Are Public Record

All documents submitted that are related to purchase orders or contracts are considered public records. All bids, proposals, or offers submitted by bidders shall become public information and are available for inspection during official, normal business hours in the PEIA offices.

Written Release of Information

All public information may be released with or without a Freedom of Information Act request; however, only a written request will be acted upon with duplication fees paid in advance. Duplication fees shall apply to all

Request for Quotation for Professional Auditing Services

requests for copies of any document. Currently the fees are \$1.00 per page, or a minimum of \$10.00 per request, whichever is greater.

Risk of Disclosure

The only exemptions from disclosure of information are listed in West Virginia Code §29B-1-4. Primarily, trade secrets as submitted by a bidder are the only exemption from public disclosure. The submission of any information to the State by a vendor puts the risk of disclosure on the vendor. The State will notify the vendor if PEIA receives an FOIA request for material the vendor has labeled as trade secret or proprietary so that the vendor can seek a Court Order prohibiting disclosure. Absent an Order from a Court of Competent Jurisdiction to the contrary, PEIA will release the materials. The State does not guarantee non-disclosure of any information to the public. Designation of an entire proposal or excessive portions of the proposal as “proprietary” is not considered to be in good faith and will be disregarded.

Status as Registered Vendor

All vendors must be registered with the State of West Virginia **prior** to the award of an actual purchase order or contract. The vendor must complete a Vendor Registration and Disclosure Statement, Form WV-1, and remit the required annual registration fee. Please go to the State of West Virginia’s Purchasing Division website at <http://www.state.wv.us/admin/purchase/> for complete information and related form.

Vendors must also be registered with the West Virginia Secretary of State (SOS) to do business in West Virginia. Please contact the SOS at 304-558-6000 for further details.

Terms of Contract

- *Interest* – Should the agreement include a provision for interest on late payments, the participating agencies agree to pay the maximum legal rate under West Virginia law. All other references to interest or late charges are unacceptable.
- *Limitation of Liability* – The participating agencies, as State entities, cannot agree to assume the potential liability of a vendor. Accordingly, any provision limiting the Vendor's liability for direct damages or limiting the vendor's liability under a warranty to a certain dollar amount or to the amount of the agreement is unacceptable. In addition, any limitation is unacceptable to the extent that it precludes any action for injury to persons or for damages to personal property.

- *Member* – any person covered as either a subscriber or a dependent in accordance with the terms and conditions of the Plan.

- *Taxes* – Provisions in the agreement requiring the participating agencies to pay taxes are unacceptable. As State entities, the participating agencies are exempt from federal, state, and local taxes and will not pay taxes for any vendor, including individuals, and will not file any tax returns or reports on behalf of vendor or any other party.
- *Termination Charges* – Any provision requiring the participating agencies to pay a fixed amount or liquidated damages upon termination of the agreement is unacceptable. The participating agencies may only agree to reimburse a vendor for actual costs incurred or losses sustained during the current fiscal year due to wrongful termination by the participating agencies prior to the end of any current agreement term.

Proposal Withdrawal

Request for Quotation for Professional Auditing Services

Prior to the proposal due date, a Bidder may withdraw their proposal by submitting a written request for its withdrawal signed by the Bidder's authorized agent. The written withdrawal request will be directed to the Contact and the address listed in **Inquiries** Section.

SECTION 3 – EVALUATION OF PROPOSALS

Evaluation Process:

The following process will be used to evaluate vendor proposals:

- A. Responses received within the time frame and in the form specified by the guidelines will first be evaluated to confirm that all proposal sections, as detailed, have been provided in the bid response. Any vendor failing to provide all required information and an original and five (5) copies will be eliminated from further consideration.
- B. The proposals will be evaluated by a committee of three (3) or more individuals against the established criteria with points deducted for deficiencies. Members of the review committee will evaluate and collectively score each proposal. The Vendor who demonstrates that they meet **all** of the mandatory specifications required; and has appropriately presented within their written response their understanding in meeting the goals and objectives of the project; and attains the highest overall point score of all Vendors shall be awarded the contract. The selection of the successful Vendor will be made by a consensus of the evaluation committee.
- C. Each proposal will be reviewed and points awarded to all items indicated on the **PROPOSAL EVALUATION FORM**. Any proposal component may be awarded points not to exceed the maximum specified on the **PROPOSAL EVALUATION FORM**. The total score available is 100 points, (technical 70 points and cost 30 points) made up of the following:

Understand of Work to be Performed	20 points
Approach and Methodology	20 points
Experience (like clients and work)	20 points
References	10 points
Cost	30 points
Total Points	100 points

Bidders failing to obtain a minimum technical score of 50 points will be disqualified.
- D. All points awarded for each proposal component will be summed to obtain a total figure. The Vendor who meets all the mandatory specifications and attains the highest point score of all Vendors shall be awarded the contract. The successful Vendor will be made by a consensus of the evaluation committee.
- E. Vendor proposals which include more than one cost scenario will be evaluated as separate proposals to obtain total points for the proposal under each pricing plan.
- F. PEIA, at its option, may elect to conduct interviews with the top rated bidder(s). There are no points specifically assigned to the interview, however points may be added or deducted based on the vendor's understanding of the intent of this RFP. The purpose is to confirm and/or clarify responses to the RFP.

State's Rights

Vendors should note the State reserves the right to modify this evaluation structure if it is deemed necessary, or request additional information from vendors. It is the intention of the State to select the most qualified and cost-effective proposal based on the evaluation of the vendor's responses to this RFP. However, the State reserves the right to accept or reject any or all of these proposals, in whole or part. The State reserves the right to ask vendors for additional information and/or an oral presentation to clarify their proposals.

Request for Quotation for Professional Auditing Services

The sum of the scores for each of criteria A through E will constitute 70% of the overall evaluation criteria, based on a total available score of 100 points. Each proposal will be independently evaluated on criteria A through E by three or more qualified individuals. Their raw scores will be averaged to obtain a composite score. Any proposal with less than 50 of the potential 70 points for technical ability will be disqualified.

The price criteria (F) will be evaluated in terms of absolute dollars and will constitute 30% of the overall evaluation criteria.

SECTION 4 - CONTRACTUAL SERVICES TERMS AND CONDITIONS

Contract Period

The contract period will be for the duration of the audit discussed in this bid proposal. All options will be negotiated at a later date to the mutual agreement of the parties.

Contract Administrator

Upon approval of a Contract, and following execution of said Contract, the PEIA shall direct the Bidder to administer the Contract on a day-to-day basis during the term of the Contract. However, administration of any Contract resulting from this Request implies no authority to change, modify, clarify, amend, or otherwise alter the prices, terms, conditions, and specifications of such Contract. That authority is retained by the PEIA and other authorized representatives and these appointees are subject to change.

Cost Liability

The PEIA assumes no responsibility or liability for costs incurred by the successful Bidder prior to the signing of any Contract resulting from this RFP. The PEIA's responsibility and liability is limited to the terms and conditions of any Contract resulting from this RFP.

Bidder Responsibilities

The Bidder shall be required to assume responsibility for all contractual activities offered in this proposal whether or not that Bidder performs them. Further, PEIA shall consider the Primary Bidder to be the sole point of contact with regard to contractual matters, including payment of any and all charges resulting from the anticipated Contract. If any part of the work is to be subcontracted, responses to this RFP should include a list of subcontractors, including firm name and address, contact person, complete description of work to be subcontracted, and descriptive information concerning subcontractor's organizational abilities. The PEIA reserves the right to approve subcontractors for this project and to require the Primary Bidder to replace subcontractors found to be unacceptable. The Bidder is totally responsible for adherence by the subcontractors to all provisions of the Contract.

The Bidder and any subcontractors must commit to the entire contract period stated within this RFP, unless the PEIA specifically agrees to a change of subcontractors. The Agreement between the Bidder and PEIA will not be assignable to another party without prior written permission from the PEIA. The Bidder shall provide advance notice to the PEIA on any intended sale of the contracting entity. The PEIA will have the option of terminating the Contract with the Bidder upon the sale of the contracting entity.

Freedom of Information/Disclosure

All documents in this RFP process are subject to West Virginia's Freedom of Information Act (FOIA) and may be disclosed upon request. The Bidder must clearly identify which data are considered proprietary. If the PEIA receives a FOIA request for data, labeled by the Bidder as proprietary, the PEIA will notify the Bidder, in writing, of the request to allow the Bidder time to obtain the appropriate court order to prevent the release of the information. Otherwise, the PEIA will be compelled by state law to release such information.

Request for Quotation for Professional Auditing Services

The Bidder must agree to become a business associate of the PEIA, it must have policies and procedures in place consistent with the Health Insurance Portability and Accountability Act of 1996 (HIPAA) standards for privacy and security of protected health information (45 CFR Parts 160 and 164) and any other applicable state or Federal law related to the privacy or security of information. The West Virginia State Government HIPAA Business Associate Addendum (BAA), approved by the Attorney General, is available online at the Purchasing Division's website (<http://www.wv.us/admin/purchase/vrc/hipaa.htm>) is hereby made part of the agreement.

Data Sales

Data sales are strictly prohibited under the contract between the successful Bidder and the PEIA.

Independent Price Determination

1. By submission of a proposal, the Bidder certifies, and in the case of a joint proposal, each party thereto certifies as to its own organization, that in connection with this proposal:
 - a) The prices in the proposal have been arrived at independently, without consultation, communication, or agreement, for the purpose of restricting competition as to any matter relating to these prices with any other Bidder or with any competitor; and
 - b) Unless otherwise required by law, the prices which have been quoted in the proposal have not been knowingly disclosed by the Bidder and shall not knowingly be disclosed by the Bidder prior to award directly or indirectly to any other Bidder or to any competitor; and
 - c) No attempt has been made or shall be made by the Bidder to induce any other person or firm to submit or not submit a proposal for the purpose of restricting competition.

2. Each person signing the proposal certifies that she/he:
 - a) Is the person in the Bidder's organization responsible within that organization for the decision as to the prices being offered in the proposal and has not participated (and shall not participate) in any action contrary to 1.a., b., and c. above; or
 - b) Is not the person in the Bidder's organization responsible within that organization for the decision as to the prices being offered in the proposal but has been authorized to act as agent for the persons responsible for such decision in certifying that they and such persons have not participated (and shall not participate) in any action contrary to 1.a., b., and c. above.

3. Should a Bidder be awarded a Contract resulting from this RFP, and be found to have failed to abide by the provisions set forth in this Section, said acts shall be in default of the Contract. Consequences may include cancellation of the Contract.

Gratuities or Kickbacks

By submission of a proposal, the Bidder represents that it has not retained any person, agency, or entity to solicit or secure a PEIA contract upon an agreement or understanding for a commission or a percentage, brokerage, or contingent fee. The PEIA will not pay any brokerage fees for securing or executing any of the services outlined in this RFP. Therefore, all proposed fees must be net of commissions and percentage, contingent, brokerage, service, or finder's fees.

Miscellaneous Provisions

The following provisions will be incorporated into any agreement entered into between PEIA and the successful bidder. The successful bidder will be asked to sign a form accepting the provisions described below.

Payment

Any references to prepayment are deleted. Payment will be in arrears. As per West Virginia State Law, PEIA will pay all uncontested invoices within sixty days of receipt at the PEIA offices.

In the event funds are not appropriated or otherwise available for this service. The agreement shall terminate without penalty on June 30. After that date, the agreement becomes of no effect and is null and void. However, the Agency agrees to use its best efforts to have the amounts contemplated under the agreement included in its budget. Non-appropriation or non-funding shall not be considered an event of default.

Statute of Limitations

Any clauses limiting the time in which the Agency may bring suit against the Vendor, lessor, individual, or any other party are deleted.

Similar Services

Any provisions limiting the Agency's right to obtain similar services or equipment in the event of default or non-funding during the term of the agreement are hereby deleted.

Accordingly, any provision limiting the Vendor's liability for direct damages or limiting the Vendor's liability under a warranty to a certain dollar amount or to the amount of the agreement is hereby deleted. In addition, any limitation is null and void to the extent that it precludes any action for injury to persons or for damages to personal property.

Right to Terminate

Agency shall have the right to terminate the agreement upon Ninety (90) written notice to Vendor.

Termination Charges

Any provision requiring the Agency to pay a fixed amount or liquidated damages upon termination of the agreement is hereby deleted. PEIA may only agree to reimburse a Vendor for actual costs incurred or losses sustained during the current fiscal year due to wrongful termination by PEIA prior to the end of any current agreement term. Upon termination of this agreement, or any extension thereto, the Bidder has the duty to continue to provide any reports required by the agreement or any law or regulation.
