Out of State Claims Auditing

SECTION 1 – INTRODUCTION

The West Virginia Public Employees Insurance Agency (PEIA) is seeking a vendor to audit out of state large dollar claims for errors.

Background

PEIA is an agency of the State of West Virginia which administers benefits for approximately 71,000 active employees and COBRA participants. PEIA also administers benefits for 40,000 retired employees and surviving dependents on behalf of the West Virginia Retiree Health Benefits Trust Fund. There are 179,000 eligible dependents, resulting in approximately 251,000 members being covered by the PEIA health plan. Combined total annual health premiums and capitations are approximately \$773 million.

A comprehensive fee-for-service health benefit plan, the Preferred Provider Benefit (PPB) plan, is offered to all eligible participants statewide (as well as members in other jurisdictions) and is administered by a third party. PEIA also offers a managed care plan option statewide, and currently contracts with a managed care organization. Approximately 6,000 policyholders are enrolled in managed care plans and 111,000 Medicare retirees are members of the Medicare Advantage (MAPD).

In the PEIA PPB plan, participants are responsible for cost sharing in the form of an annual medical deductible, coinsurance, and copayments; they also pay a separate prescription drug deductible and copayments. Amounts paid by the individual in the prescription program do not apply to the maximum annual medical out-of-pocket amount, except for Plan C (approximately 500 members), in which the deductible is a combined medical and prescription drug deductible. The prescription drug program is administered by a separate vendor.

PEIA's Networks

PEIA PPB Plans A & B

The PEIA PPB Plans provide care through several networks of providers. In West Virginia, any properly licensed health care provider who provides health care services or supplies to a PEIA participant is automatically considered a member of our network. Outside West Virginia, PEIA uses the Aetna® Signature Administrators PPO to provide care for members of PEIA PPB Plans A, B and C. The Aetna® Signature Administrators PPO contracts with some out-of-state providers to serve PEIA PPB Plans A, B and C participants only. Plan C is an IRS-qualified, High-Deductible Health Plan (HDHP)

Care provided outside West Virginia, even by network providers, costs more. Outside West Virginia, even with the discount contracts that we have with network providers, PEIA cannot control its costs as it can inside West Virginia. Therefore, you're out-of-pocket costs will be higher if you use providers outside the state of West Virginia. Not all providers in the ASA PPO network may participate with PEIA. Kings Daughters Medical Center and Our Lady of Bellefonte hospitals in Kentucky remain out-of-network for PEIA, regardless of their network status with the ASA PPO network. Also, PEIA does not use the ASA PPO network in Washington County or Cuyahoga County, Ohio, or in Boyd

Request for Quotation for Professional Auditing Services

County, Kentucky. PEIA reserves the right to remove providers from the network, so not all providers listed in the network may be available to you.

PEIA PPB Plan D

PEIA PPB Plan D members have access to WV providers ONLY. For PEIA PPB Plan D, the only care allowed outside the State of West Virginia will be emergency care to stabilize the patient for transport back to a WV facility, and a limited number of procedures that are not available from any health care provider inside West Virginia. Plan D members must contact HealthSmart Care Management when it appears that out-of-state care may be necessary. HealthSmart Care Management will direct the patient to the appropriate facility to provide care – either in WV or out-of-state. Non-emergency care provided outside WV without approval from HealthSmart Care Management IS NOT COVERED.

Sanctioned Providers

Providers, both in and out of state, who are under sanction by Medicare, Medicaid or both are excluded from PEIA's network for the duration of their sanction. Additionally, providers may be excluded from PEIA's network based upon adverse audit findings.

Resident PPB Plan A & B Participants

PEIA PPB Plans A & B participants who live in West Virginia or a bordering county of a surrounding state may access care from any of the following providers without receiving prior approval:

- any West Virginia health care provider who provides health care services or supplies to a PEIA participant; or
- any network provider located in those bordering counties.

All services, except emergency care, provided outside of West Virginia beyond the bordering counties requires prior approval.

Non-Resident PPB Plan A & B Participants

For PEIA PPB Plans A & B participants who reside outside the State of West Virginia (beyond the bordering counties of surrounding states), PEIA has made special arrangements. Participants who live more than one county outside the State may seek care from any network provider. Care from network providers does not require prior approval, and that care will be covered at the in-network benefit level (typically 80%). Precertification of inpatient stays and certain outpatient procedures is still required.

Non-Network Providers

For Plans A and B, care provided by non-network providers requires prior approval by HealthSmart Care Management, or it will be paid at the lower out-of-network benefit level (typically 60% of PEIA's fee allowance for WV providers). For Plan D, care received at non-network providers is not covered except for the initial care in an emergency.

By law, all providers in West Virginia who provide health care services or supplies to PEIA members must accept assignment of benefits, and cannot bill PEIA patients for any amount by which their charges exceed the maximum fees established by PEIA for each service. There is an exemption for emergency care (see the WV Omnibus Health Care Act).

Manner of Payment

PEIA prefers a fee structure based on a percentage of actual dollars recovered. Complete the table on Appendix B below with the proposed percentage for the contingency fee. There will be no direct costs billed to the PEIA (i.e., postage costs, such as the cost of stamps or meters, will not be charged to the PEIA).

Confidentiality/Public Record

PEIA requests that all information provided to prospective firms as part of this RFP, as well as all subsequent evaluations and discussions, be used exclusively for purposes of responding to the RFP and any subsequent discussions related thereto.

News releases that pertain to this RFP, or contract resulting therefrom, must not be made without prior approval of the State of West Virginia, and then only in coordination with PEIA.

Ownership of all data, materials and documentation originated and prepared for PEIA pursuant to the RFP shall belong exclusively to the State.

Vendor shall have access to private and confidential data maintained by the participating agencies to the extent required for the Vendor to carry out the duties and responsibilities defined in this contract. Vendor agrees to maintain confidentiality and security of the data made available, shall comply with all applicable confidentiality laws or regulations, including HIPAA, and shall indemnify and hold harmless the State and the participating agencies against any and all claims brought by any party attributed to actions of breach of confidentiality by the Vendor, subcontractors, or individuals permitted access by the Vendor.

Vendor agrees to the terms of the West Virginia State Government Covered Entity HIPAA Business Associate Addendum. (See Appendix D)

Submissions Are Public Record

All documents submitted that are related to purchase orders or contracts are considered public records. All bids, proposals, or offers submitted by bidders shall become public information and are available for inspection during official, normal business hours in the PEIA offices.

Written Release of Information

All public information may be released with or without a Freedom of Information Act request; however, only a written request will be acted upon with duplication fees paid in advance. Duplication fees shall apply to all requests for copies of any document. Currently the fees are \$1.00 per page, or a minimum of \$10.00 per request, whichever is greater.

Risk of Disclosure

The only exemptions from disclosure of information are listed in West Virginia Code §29B-1-4. Primarily, trade secrets as submitted by a bidder are the only exemption from public disclosure. The submission of any information to the State by a vendor puts the risk of disclosure on the vendor. The State will notify the vendor if PEIA receives an FOIA request for material the vendor has labeled as trade secret or proprietary so that the vendor can seek a Court Order prohibiting disclosure. Absent an Order from a Court of Competent Jurisdiction to the contrary, PEIA will release the materials. The State does not guarantee non-disclosure of any information to the public. Designation of an entire proposal or excessive portions of the proposal as “proprietary” is not considered to be in good faith and will be disregarded.

Status as Registered Vendor

All vendors must be registered with the State of West Virginia **prior** to the award of an actual purchase order or contract. The vendor must complete a Vendor Registration and Disclosure Statement, Form WV-1, and remit the required annual registration fee. Please go to the State of West Virginia's Purchasing Division website at <http://www.state.wv.us/admin/purchase/> for complete information and related form.

Vendors must also be registered with the West Virginia Secretary of State (SOS) to do business in West Virginia. Please contact the SOS at 304-558-6000 for further details.

Terms of Contract

The performance of the contract awarded pursuant to this document is contingent upon adequate funding being appropriated by the West Virginia Legislature for such purposes. In the event the Legislature fails to appropriate sufficient funds for the continuation of the contract, then the contract will be canceled without penalty at the end of the fiscal year.

The terms of the contract must be consistent with the following:

- *Acceleration* – Any references to acceleration of payments in the event of default or non-funding is unacceptable.
- *Amendments* – All amendments, modifications, alterations or changes to the agreement shall be in writing and signed by the parties.
- *Arbitration* – Any references to arbitration contained in the agreement are unacceptable. The vendor shall present disputes arising out of the agreement to the West Virginia Court of Claims.

- *Attorney Fees* – The participating agencies recognize an obligation to pay attorney's fees or costs only when assessed by a court of competent jurisdiction. Any other provision is invalid and considered null and void.
- *Bidder* – a person or organization who submitted an offer in response to this RFP.
- *Bid/Amount* – Bids **cannot** be negotiated, amended, and/or revised after the bid is received by PEIA.

Request for Quotation for Professional Auditing Services

The PEIA reserves the right to accept, negotiate, amend or reject any/all of the bids as it deems to be in the best interest of the members of PEIA.
- *Bid award* – The PEIA reserves the right to award any combination or not to award the contract discussed in this RFP.
- *Bid/Late* – Bids received after submission deadline will be considered void and unacceptable. PEIA is not responsible for lateness or non-delivery of mail, carrier, etc., and the PEIA mail department date/time stamp shall be the official time of receipt.

- *Business Associate* - The prospective vendor will be performing an Administrative Function on behalf of PEIA, a Health Plan and a Covered Entity as defined by §45 CFR 160.103, and will be considered a Business Associate of PEIA. The prospective vendor shall be fully compliant with any and/or all provisions of the Privacy and Security Rule(s) of the Health Insurance Portability and Accountability Act of 1996 (HIPAA), including the provisions of the Health Information Technology for Economic and Clinical Health Act (HITECH) as adopted as part of the American Reinvestment and Reauthorization Act of 2009 (ARRA) and the Omnibus Rule(s) that went into effect September 23, 2013. - *Indemnification* – The vendor agrees to indemnify, defend and hold harmless the State and the participating agencies, its officers and employees from and against any and all claims arising from the vendors acts or failure to act, including but not limited to: (1) Any claims or losses for services rendered by any subcontractor, person or firm performing or supplying services, materials or supplies in connection with the performance of the contract; (2) Any claims or losses resulting to any person or entity injured or damaged by the Vendor, its officers, employees, or subcontractors by the publication, translation, reproduction, delivery, performance, use or disposition of any data used under the contract in a manner not authorized by the contract, or by Federal or State statutes or regulations; (3) Any

- *Insurance* – Any provision requiring the participating agencies to insure equipment or property of any kind and name the vendor as beneficiary or as an additional insured is unacceptable.
- *Interest* – Should the agreement include a provision for interest on late payments, the participating agencies agree to pay the maximum legal rate under West Virginia law. All other references to interest or late charges are unacceptable.
- *Limitation of Liability* – The participating agencies, as State entities, cannot agree to assume the potential liability of a vendor. Accordingly, any provision limiting the Vendor's liability for direct damages or limiting the vendor's liability under a warranty to a certain dollar amount or to the amount of the agreement is unacceptable. In addition, any limitation is unacceptable to the extent that it precludes any action for injury to persons or for damages to personal property.
- *May* – means that a certain feature, component, or action is permissible, but not required.
- *Member* – any person covered as either a subscriber or a dependent in accordance with the terms and conditions of the Plan.

- *Recoupment* – Any language in the agreement waiving the participating agencies' rights to set-off, counterclaim, recoupment, or other defense is unacceptable.
- *Renewal* – Any reference to automatic renewal is unacceptable. The agreement may be renewed only upon mutual written agreement of the parties.
- *Respondent* – any party responding in any way to this RFP.
- *Right to Notice* – Any provision for repossession of equipment without notice is unacceptable. However, the participating agencies do recognize a right of repossession with notice.

- *Statute of Limitation* – Any clauses limiting the time in which the participating agencies may bring suit against the vendor, lessor, individual, or any other party are unacceptable.
- *Taxes* – Provisions in the agreement requiring the participating agencies to pay taxes are unacceptable. As State entities, the participating agencies are exempt from federal, state, and local taxes and will not pay taxes for any vendor, including individuals, and will not file any tax returns or reports on behalf of vendor or any other party.
- *Termination Charges* – Any provision requiring the participating agencies to pay a fixed amount or liquidated damages upon termination of the agreement is unacceptable. SECTION 2 – REQUIREMENTS

Scope of Work

	<u>Number of Claims</u>	<u>Total Paid</u>	<u>Paid/Claim (Average)</u>

Professional Services	182,723	\$32,922,518	\$180
Other	123,094	\$28,426,078	\$175
Percentage of Category Cost	In-State	Out-of-State	
Institutional Services	9%	43%	
Professional Services	11%	19%	
Other	62%	36%	

PEIA desires to have pre-adjudication auditing and recovery services for out of state claims. For fiscal year ending June 30, 2015 PEIA had 2,271,704 total claims and paid a total of \$484,441,160. During the same fiscal year out of state claims were 15% of total claims with payments of 35% of total paid.

The primary focus of this audit will be Inpatient or Institutional Services, but will not exclude claims in the other categories. As shown above, 9% of Out of State Inpatient claims account for 43% of cost in that category.

PEIA claims are adjudicated through our Third Party Administrator (TPA), HealthSmart Benefit Solutions (HS). HS uses the Aetna network for repricing of Out of State claims. PEIA prefers the review be accomplished after the claim is repriced but before payment is made. . Payer contractually has 30 days after receiving a “clean” claim to make payment to the provider. Due to this time constraint there may be occasional instances when claims will be reviewed by the vendor post adjudication. AETNA follows the “Physician Settlement Agreement” for billing and payment timeliness.

PEIA seeks identification, reporting, and subsequent recovery of improper overpayments by the winning vender. Throughout this document, the term “improper payment” is used to refer collectively to overpayments

Request for Quotation for Professional Auditing Services

and underpayments. For purposes of this project, incorrect code, or other discrepancy, that does not change claim(s) payment amounts when corrected, is NOT considered an improper payment.

Out of State Claims - Audit should include, but not be limited to the following:

1. Provide a secure FTP site where PEIA's TPA may scan claims for the vendor's review or an electronic connection where claims can be passed back and forth.
2. Produce provider communications and any relevant forms to be used.
3. Investigate and recover billing for procedures or services that were not actually performed. Negotiate a settlement with the provider to resolve such charges.
4. Investigate and recover double billing (billing both PEIA and the member or other insurance) through random confirmation letters to members.
5. Investigate and recover all "Up-coding" by a provider for services provided.
6. Investigate and recover overpayments in a timely manner on any post payment audits.
7. Produce monthly recovery reporting and invoice for services rendered in a format acceptable to PEIA.
8. Review and respond (or provide recommendations) to appeals related to the vendor's audits.

Out of State Claims Audit – Other Necessary Information:

1. PEIA's third party administrator is HealthSmart Benefit Solutions;
2. PEIA's TPA does have offset/withholding rights for improper payments. The current process includes a notification and request for payment from HealthSmart, then a second request for payment, and after 60 days repayment is automatically withheld from future payments;
3. The Contracted Audit team will notify providers of improper payments;
4. The Managed Care Plan is not part of this audit;
5. Pharmacy Benefits are not part of this audit;
6. Dental benefits are not part of this audit;
7. PEIA's position on photocopies for medical records is that we paid for the service and as such the provider must provide records to be in compliance with our audits;
8. All plan policies and procedures are located on PEIA's website (<http://www.peia.wv.gov/policies/Pages/default.aspx>);
9. The contractor will be responsible for answering any appeals from providers related to the audit findings within 60 days of the date of the appeal;
10. Claims data will be received from PEIA's Third Party Administrator, HealthSmart Benefit Solutions;
11. The audit population will include only out of state providers;
12. This audit will be performed with HIPPA compliance and as such all Personal Health Information (PHI) will be confidential;

Minimum Requirements

THESE ARE ABSOLUTE REQUIREMENTS. FAILURE TO MEET ANY ONE OF THE REQUIREMENTS LISTED BELOW SHALL RESULT IN DISQUALIFICATION FROM FURTHER CONSIDERATION IN THIS BID PROCESS.

Evaluation of the Quotation will be awarded to the Vendor that meets the minimum requirements specified below for the lowest overall total cost as shown on the Pricing Page.

1. An introductory section should be included in the quote which includes the name, address, and telephone number of the firm, the name and telephone number of the contact person with the firm, and the date of submission of the proposal

Request for Quotation for Professional Auditing Services

2. The vendor must meet all requirements imposed by West Virginia and other local laws, rules, and regulations, including not having a delinquent tax liability of any nature with the State of West Virginia. Vendors must submit with the proposal a "Purchasing Affidavit" (See Appendix E).

PEIA will waive the litigation bond if the bidder submits in writing on a form acceptable to PEIA a complete waiver of any rights to challenge this RFP/award in any jurisdiction or venue. The only acceptable alternative to the litigation bond is the submission of a signed Waiver of Legal Challenge

3. The vendor must agree to comply with all "Terms of Contract" Section.

6. The auditor must be properly licensed and possess certification as a Healthcare Auditor.
7. The bidding firm must demonstrate experience in providing the services outlined above the Scope of this RFP to a client(s) with at least \$250 million in annual health insurance premiums. 9. The vendor must provide a **detailed** work plan reflecting the general audit requirements outlined in the Section titled Scope of Work that presents key activities, milestones, and timing for completion of the functional area reviews and overall audit (i.e., project timeline). The project plan shall consider the staging of deliverables outlined in the Section titled Scope of Work and address such activities as implementing data transfers, executing confidentiality agreements, system access requirements, business system training requirements, applying knowledge of federal and state requirements, and other activities relevant to demonstrating Vendor's ability to provide the requested services timely.
8. Proposing company must submit proposals for each individual RFP as follows:
 1. five (5) bound copies of each proposal, one (1) unbound original of the each proposal and one electronic copy of both; and
 2. **technical and cost proposals must be prepared as separate documents and submitted under separate cover.**

Litigation Bond

Each bidder responding to this RFP is required to submit a litigation bond in the amount of 5% of submitted bid made payable to the State of West Virginia Public Employees Insurance Agency. A surety company licensed to do business in the State of West Virginia with the West Virginia Insurance Commission, on a form acceptable to the State, and countersigned by a West Virginia Resident Agent must issue this bond. The only acceptable alternate forms of the bond are (1) company certified check (not an individual), and (2) a cashier's check.

The purpose of the litigation bond is to discourage unwarranted or frivolous lawsuits pertaining to the award of a contract from this RFP. Secondly, the bond provides a mechanism for the State of West Virginia, the participating agencies, and

Request for Quotation for Professional Auditing Services

it's officers, employees, or agents thereof to recover damages, including (but not limited to) attorney fees, loss of revenue, loss of grants or portions thereof, penalties imposed by the federal government and travel expenses which may result from any such litigation. A claim against the bond will be made if the bidder contests the award in a court of competent jurisdiction and the grounds are found to be unwarranted or frivolous based on the facts of the award or applicable law as determined by the court. The bond or alternate form must remain in effect for two years from the proposal submission date. After six (6) months, each bidder may request, and the State anticipates granting, a release of the litigation bond. However, the bidder will be required to provide a release (signed and notarized in a form that is acceptable to the State) prior to release of the bond which states that the bidder will not sue.

The PEIA will waive the litigation bond if the bidder submits in writing on a form acceptable to the PEIA a complete waiver of any rights to challenge the bidder award in any jurisdiction or venue. The only acceptable alternative to the litigation bond is the submission of this signed "Bidder's Total Waiver of Legal Challenge" form included with the vendor's bid. (See Exhibit C)

Failure to submit an appropriate bond, alternate bond, or signed waiver form with the proposal at the time of bid opening will result in automatic disqualification of the vendor's proposal and the proposal will be considered non-responsive.

Purchasing Affidavit

It is required that all vendors submit a Purchasing Affidavit which certifies that there are no outstanding obligations or debts owed to the State of West Virginia. The Purchasing Affidavit **must** be completed, signed and returned **with** the vendor's proposal. (See Appendix E.)

Insurance Requirements

The vendor must possess and maintain Professional Liability Insurance in a form acceptable to the participating agencies, which shall cover the vendor, its officers, employees, and agents for any actual or alleged breach of duty, neglect, error, misstatement, misleading statement, or omission committed by the vendor in the performance of its duties and responsibilities as the administrator under this contract, including any hold harmless and/or indemnification agreement. The Professional Liability Insurance shall be maintained from the inception of the vendor's service under the contract until at least three (3) years after completion of all services required under the contract.

Specific Instructions for Responding to This RFP

In order to simplify the review process and to obtain maximum comparability, the quotes should be organized in the manner specified below:

a) **Introductory Letter**

Describe your understanding of the work to be performed and your firm's ability to perform the work. Describe how and why your firm is different from other firms being considered. Describe how your firm will approach the proposed services, including the use of subcontractors or affiliates, the areas that will receive primary focus, and the type of assistance that will be required from PEIA's staff.

The Letter must also include the subject, name, address, and telephone and fax numbers of the firm; name, telephone number and e-mail address of the contact person; and the date of submission of the proposal. SECTION 3 – EVALUATION OF PROPOSALS

Evaluation Process:

The following process will be used to evaluate vendor proposals:

- A. Responses received within the time frame and in the form specified by the guidelines will first be evaluated to confirm that all proposal sections, as detailed, have been provided in the bid response. Any vendor failing to provide all required information and an original and five (5) copies will be eliminated from further consideration.

- B. The proposals will be evaluated by a committee of three (3) or more individuals against the established criteria with points deducted for deficiencies. Members of the review committee will evaluate and collectively score each proposal. The Vendor who demonstrates that they meet **all** of the mandatory specifications required; and has appropriately presented within their written response their understanding in meeting the goals and objectives of the project; and attains the highest overall point score of all Vendors shall be awarded the contract. The selection of the successful Vendor will be made by a consensus of the evaluation committee.

- C. Each proposal will be reviewed and points awarded to all items indicated on the **PROPOSAL EVALUATION FORM**. Any proposal component may be awarded points not to exceed the maximum specified on the **PROPOSAL EVALUATION FORM**. The total score available is 100 points, (technical 70 points and cost 30 points) made up of the following:

Understand of Work to be Performed	20 points
Approach and Methodology	20 points
Experience (like clients and work)	20 points
References	10 points
Cost	30 points
Total Points	100 points

Bidders failing to obtain a minimum technical score of 50 points will be disqualified.

The Vendor who meets all the mandatory specifications and attains the highest point score of all Vendors shall be awarded the contract. The successful Vendor will be made by a consensus of the evaluation committee.

- E. Vendor proposals which include more than one cost scenario will be evaluated as separate proposals to obtain total points for the proposal under each pricing plan.

- F. PEIA, at its option, may elect to conduct interviews with the top rated bidder(s). There are no points specifically assigned to the interview. The purpose is to confirm and/or clarify responses to the RFP.

State’s Rights

Vendors should note the State reserves the right to modify this evaluation structure if it is deemed necessary, or request additional information from vendors. It is the intention of the State to select the most qualified and cost-effective proposal based on the evaluation of the vendor’s responses to this RFP. However, the State reserves the right to accept or reject any or all of these proposals, in whole or part. The State reserves the right to ask vendors for additional information and/or an oral presentation to clarify their proposals.

Request for Quotation for Professional Auditing Services

The sum of the scores for each of criteria A through E will constitute 70% of the overall evaluation criteria, based on a total available score of 100 points. Each proposal will be independently evaluated on criteria A through E by three or more qualified individuals. Their raw scores will be averaged to obtain a composite score. Any proposal with less than 50 of the potential 70 points for technical ability will be disqualified.

The price criteria (F) will be evaluated in terms of absolute dollars and will constitute 30% of the overall evaluation criteria.

After that date, the agreement becomes of no effect and is null and void. However, the Agency agrees to use its best efforts to have the amounts contemplated under the agreement included in its budget. Non-appropriation or non-funding shall not be considered an event of default.

Termination Charges

Any provision requiring the Agency to pay a fixed amount or liquidated damages upon termination of the agreement is hereby deleted.
