HUMANA VIRTUAL VISITS
POWERED BY MDLIVE®

You don't have to be at your doctor's office to receive quality professional healthcare. **Get nonemergency medical and behavioral attention*—anywhere, anytime.**

Simply use your phone, tablet or laptop to reach a U.S.-based, board-certified doctor **24 hours a day, seven days a week**. Behavioral health virtual visits are available by appointment only, but you can **schedule a visit at a time that's convenient for you**.

When your doctor is not available, use **virtual visits** to get help with things like allergies, skin irritation, flu-like symptoms, stress, anxiety, ordering a lab test or screening, managing a chronic condition like high blood pressure or arthritis, and much more.

Virtual visits are a convenient way to **access care** when you are **at home** or **on the go**.

*Behavioral health virtual visits are by appointment only.
