Get to know your plan
Review the enclosed materials. This packet includes information on your Group Medicare healthcare option along with extra services Humana provides.

• If you have questions about your premium, please call your benefits administrator at 888-680-7342 (TTY: 711), Monday – Friday, 8 a.m. – 4:30 p.m., Eastern time.

• Please see your enclosed prescription drug guide (PDG) to determine if your medications have quantity limits, require a prior authorization or step therapy. You can also visit Humana.com/Pharmacy or call Group Medicare Customer Care for assistance.

• Use Humana’s Find a doctor tool at Humana.com/FindaDoctor for a list of providers.

• Two plans are available through Humana for 2023. The plans options are the Humana/PEIA Plan 1 and Humana/PEIA Plan 2 options. Please review the Summary of Benefits for each plan carefully and decide which plan best suits your coverage needs. If no plan is selected, you will automatically be placed in the Humana/PEIA Plan 1 for 2023.

• Please refer to the Important Information about Enrollment document in this enrollment packet for additional details regarding how and when PEIA needs to be informed of your decision and other information you will need to know about enrollment.

• Visit our Member Information Page at https://our.Humana.com/wvpeia/
  – You will also be able to view the 2023 Prescription Drug Guide, Evidence of Coverage, and additional Open Enrollment information once available.

• Missing Information. If you have not provided PEIA a residential address (not P.O. Box) and/or your Medicare MBI number, it is necessary to do so. For your convenience, enclosed in this packet, is a form and a return envelope to provide this information to PEIA.

- continued on next page
• **What if I have Veteran’s Administration (VA) Benefits?**
  Due to Federal regulations, the VA facilities are unable to bill Humana directly for medical services.

  - **For Medical Claims**
    • If you receive VA benefits, you should send a copy of the medical bills you receive from the VA to Humana for reimbursement. You will be reimbursed up to 100% of the Medicare allowable rate for outpatient services from your VA claim.
      - When sending paper claims, please make sure to include your name and member ID number from your Humana ID card. All medical claims must be mailed to the Lexington, Kentucky medical claims address which will be listed on the back of your Humana ID card.

  - **For Pharmacy Claims**
    • Your prescription drug coverage does not coordinate benefits between the Humana Medicare Employer PPO Plan and the VA. Members must use one or the other.

**Enrollment Information**
• For enrollment information, please refer to the document titled “Important Enrollment Information,” located in this packet.

**What to expect after you enroll**
• **Enrollment confirmation**
  You’ll receive a letter from Humana once the Centers for Medicare & Medicaid Services (CMS) confirms your enrollment.

• **Humana member ID card**
  Your Humana member ID card will arrive in the mail shortly after you enroll.

• ** Evidence of Coverage (EOC)**
  This detailed booklet about your healthcare coverage with your plan will arrive in the mail. This will also include your privacy notice.

• **Take your Medicare Health Assessment**
  CMS requires Humana to ask new members to complete a health survey within their first few months of enrollment.

  It’s nine simple questions about your health. Your answers will help us guide you to tools and resources available to help you reach your health goals. The information you provide will not affect your plan premiums or benefits.

  Once you have received your Humana member ID card or after your plan is effective, you can call our automated voice service anytime to take this survey at **888-445-3389 (TTY: 711)**. When you call, you’ll be asked to provide your eight-digit member ID number located on the front of your Humana member ID card, so have your ID card handy.

  You may also take the survey online at **MyHumana.com** after activating your online account.
• **In-home Health and Well-being Assessment (IHWA)**
  This is a yearly detailed health review conducted in the comfort of your home, providing an extra set of eyes and ears for your doctor so you can feel more in control of your health and well-being.

  You may receive a call from one of our IHWA vendors, Signify Health or Matrix Medical Network, to schedule your assessment. If you have questions, you may ask when they call, or contact Humana at the phone number listed on the back of your member ID card.

We look forward to serving you now and for many years to come.

Sincerely,

Group Medicare Operations
West Virginia Public Employees Insurance Agency (PEIA) is offering you the choice between two Humana Medicare Employer Preferred Provider Organization (PPO) Plans for 2023.

If you would like to be enrolled in the Humana/PEIA Plan 1 option, you do not need to do anything to be automatically enrolled in this Medicare health plan.

If you do not want to join this plan or would like to select the Humana/PEIA Plan 2 option, you can follow the instructions below. You must do this by October 31, 2022. Enrollment in this plan will cancel your enrollment in a different Medicare Advantage or a Medicare Prescription Drug (Part D) plan.

What do I need to know as a member of the Humana Group Medicare PPO plan?
This mailing includes important information about the Humana/PEIA Plan 1 and Humana/PEIA Plan 2 Humana Medicare Employer PPO plan options being offered this year, including a Summary of Benefits document for both plans. Please review this information carefully.

Once enrolled, you will receive an Evidence of Coverage document (also known as a member contract or subscriber agreement) from the Humana Group Medicare PPO plan. Please read the document to learn about the plan’s coverage and services. As a member of the Humana Group Medicare PPO plan, you can appeal plan decisions about payment or services if you disagree. Enrollment in this plan is generally for the entire year.

When your Humana Group Medicare PPO plan begins, Humana will cover all medically necessary items and services, even if you get the services out of network. However, your member cost share may be lower if you use in-network providers. “In-network” means that your doctor or provider is on our list of participating providers. “Out-of-network” means that you are using someone who isn’t on this list. The exception is for emergency care, out of area dialysis services, or urgently needed services.

You must use network pharmacies to access Humana benefits, except under limited, non-routine circumstances when you can’t reasonably use network pharmacies.

You must keep Medicare Parts A and B as the Humana Group Medicare plan is a Medicare Advantage plan. You must also continue to pay your Part B premium. If you are assessed a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA), you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium. You can enroll in only one Medicare Advantage plan at a time. You must let us know if you think you might be enrolled in a different Medicare Advantage plan or a Medicare prescription drug plan and inform us of any prescription drug coverage that you may get in the future.

What happens if I don’t join the Humana Group Medicare PPO plan?
You aren’t required to be enrolled in this plan. The Humana Group Medicare Employer PPO plan is the only Medicare plan offered by PEIA. If you decline coverage with this Medicare plan offered through PEIA, you will have no health or pharmacy prescription drug benefits from PEIA.
If you don’t want to enroll or have enrollment questions, you will need to contact PEIA’s Customer Service unit at 888-680-7342, Monday – Friday, 8 a.m. – 4:30 p.m., Eastern time. You will be asked to complete a Change in Status form to drop your PEIA health coverage.

If you choose to join a different Medicare plan, you can contact 800-MEDICARE anytime, 24 hours a day, 7 days a week, for help in learning how. TTY users can call 877-486-2048. Your state may have counseling services through the State Health Insurance Assistance Program (SHIP). They can provide you with personalized counseling and assistance when selecting a plan, including Medicare Supplement plans, Medicare Advantage plans and prescription drug plans. They can also help you find medical assistance through your state Medicaid program and the Medicare Savings Program.

If you want to enroll in the Humana/PEIA Plan 2 option, you can call PEIA at 877-676-5573 to request a Humana/PEIA Plan 2 Open Enrollment form. You can also choose your option by following the instructions that PEIA sent you in a separate mailing. If you would like the Humana/PEIA Plan 2 option, you are required to inform PEIA of your decision for 2023 by October 31, 2022. If you do not inform PEIA by that date, you will automatically be enrolled in the Humana/PEIA Plan 1 option.

**What if I want to leave the Humana Group Medicare PPO plan?**
You can change or cancel your Humana coverage at any time and return to Original Medicare or another Medicare Advantage plan by using a special election. **You can send a request to the Humana Group Medicare plan. You must also contact your benefit administrator as there could be other benefits impacted.** You can also call 800-MEDICARE anytime, 24 hours a day, 7 days a week. TTY users can call 877-486-2048.

**What happens if I move?**
The Humana Group Medicare PPO plan serves a specific service area. **If you move to another area or state, it may affect your plan.** It’s important to contact your group benefits administrator and call to notify Humana of the new address and phone number. You can call Humana Group Medicare Customer Care at 800-783-4599 (TTY: 711), Monday – Friday, 8 a.m. – 9 p.m., Eastern time.

Remember that if you leave this plan and don’t have creditable prescription drug coverage (as good as Medicare’s prescription drug coverage), you may have to pay a late enrollment penalty if you enroll in Medicare prescription drug coverage in the future.

**Release of Information**
By joining this Medicare Advantage plan, you give us permission to share your information with Medicare and other plans when needed for treatment, payment and health care operations. We do this to make sure you get the best treatment and to make sure that it is covered by the plan. Medicare may also use this information for research and other reasons allowed by Federal law.
What is Medicare?
Medicare is a federal health insurance program for U.S. citizens and legal residents who are 65 and older or those younger than 65 and qualify due to a disability.

How does it work?
Medicare is divided into parts A, B, C and D. Parts A and B are called Original Medicare. You must be entitled to Medicare Part A and enrolled in Medicare Part B as the Humana Group Medicare PPO plan is a Medicare Advantage plan. You must also continue paying Medicare Part B premiums to remain enrolled in this plan.

Medicare Part A
Hospital insurance
It helps cover medically necessary inpatient care in a hospital or skilled nursing facility. It also helps cover some home healthcare and hospice care.

Medicare Part B
Medical insurance
It helps cover medically necessary providers’ services, outpatient care and other medical services and supplies. Part B also helps cover some preventive services.

Medicare Part C
Medicare Advantage plans
These are available through private insurance companies, such as Humana. Medicare Part C helps cover everything medically necessary that Part A and Part B cover, including hospital and medical services. You still have Medicare if you elect Medicare Part C coverage. You must be entitled to Medicare Part A and enrolled in Part B to be eligible for a Medicare Part C plan.

Medicare Part D
Prescription drug coverage
It helps pay for the medications your provider prescribes and is available in a stand-alone prescription drug plan or included in a Medicare Advantage prescription drug plan. Like Part C Medicare Advantage plans, Part D is only available through private companies, such as Humana. Many Part C Medicare Advantage plans include Medicare Part D prescription drug coverage.

Choosing a primary care provider

Building healthy provider relationships

Having a relationship with your primary care provider (PCP) is an important step in protecting and managing your health. With the Humana Group Medicare PPO plan, you can use any provider who accepts Medicare and agrees to bill Humana. Your benefit plan coverage remains the same, even if you receive care from an out-of-network provider. For more information, refer to your Summary of Benefits located in this packet.

Why choose a Humana network provider?

- Humana Medicare PPO network providers must take payment from Humana for treating plan members.
- Network providers coordinate with Humana, which makes it easier to share information. Patients may have a better experience when providers share information this way.
- Humana supplies in-network providers with information about services and programs available to patients with chronic conditions.

Is your healthcare provider in Humana’s provider network?

Humana respects your relationship with your provider. We want you to be able to select a provider who’s close to home and who can focus on your specific needs. If you need help finding a provider, call our Group Medicare Customer Care team or use our online directory at Humana.com/Findadoctor.

Having a provider you’re happy with can play an important role in your health and meeting your needs

If your healthcare provider says they do not accept Humana insurance, give them this flyer. Once you are a member of the Humana Group Medicare Preferred Provider Organization (PPO) plan, sharing this information can help your provider understand how this plan works.

Don’t forget to take your Humana member ID card to your first appointment.

A message for your provider

Humana will provide coverage for this retiree under a Group Medicare PPO plan. The in-network and out-of-network benefits are structured the same for any member of this plan. This means you can provide services to this retiree or any member of this plan if you are a provider who is eligible to participate in Medicare.

**Contracted healthcare providers**
If you’re a Humana Medicare Employer PPO-contracted healthcare provider, you’ll receive your contracted rate.

**Out-of-network healthcare providers**
Humana is dedicated to an easy transition. If you’re a provider who is eligible to participate in Medicare, you can treat and receive payment for your Humana-covered patients who have this plan. Humana pays providers according to the Original Medicare fee schedule less any member plan responsibility.

Telehealth visits are available through your Humana plan

The doctor is in, even if you can’t or don’t want to go into an office. Telehealth visits allow you to get nonemergency medical care or behavioral healthcare through your phone,* tablet or computer.†

Virtual care where you’re most comfortable
Use telehealth for minor illnesses and infections, medication refills, lab orders, help managing chronic conditions, and other nonemergency appointments, just like an in-office visit.

When should I use it?
For a nonemergency issue, instead of going to the emergency room (ER) or an urgent care center.

Ask your trusted provider if they offer telehealth visits and if so, what you need to do to get started.
If you don’t have a primary care provider or if your PCP doesn’t offer virtual visits, you can use the “Find a doctor” tool on Humana. com or call the number on the back of your member ID card to get connected with a provider that offers this service.

Connect with someone who cares
Use telehealth services to connect with a licensed behavioral health specialist. These providers are available when you may need them to coach you through many of life’s challenges. These providers can:
• Discuss healthy ways you can deal with stress, anxiety or sadness
• Listen without judgment as you talk about your life, relationships and feelings
• Help you set and meet behavioral and emotional goals
• Assist you in developing strategies for living a fuller, healthier life

You have many options for care.
One option is Array.
Learn about Array, a national in-network virtual behavioral health provider, by visiting Arraybc.com/patients/Humana or call 888-410-0405 (TTY: 711) to schedule your Array virtual visit.

Delivering the care you need securely, conveniently and on your terms—that’s human care.

Remember, when you have a life-threatening injury or major trauma, call 911.

*Depending on the initial consultation, video may be required for telehealth visits.
†Standard data rates may apply.

Limitations on telehealth services, also referred to as virtual visits or telemedicine, vary by state. These services are not a substitute for emergency care and are not intended to replace your primary care provider or other providers in your network. Any description of when to use telehealth services is for informational purposes only and should not be construed as medical advice. Please refer to your Evidence of Coverage for additional details on what your plan may cover or other rules that may apply.
Making sure your caregiver can help you—so you can focus on living your life

Everyone needs a little help now and then. Many people trust a family member or close friend to help them with their healthcare—someone who may help you talk with us about your insurance plan, keep track of your benefits and claims, or ask healthcare questions on your behalf.

We’ll need your permission to share your personal information. To give your permission, you’ll need to read and sign a consent form.*

A signed consent form allows insurers to share health plan information and protected health information with your designated caregiver. It’s different from granting medical power of attorney, which allows someone to make decisions about your care.

Visit Humana.com/caregiver to learn more about naming a caregiver and how to submit the Consent for Release of Protected Health Information (PHI) form.

Frequently asked questions

Do I need to show my red, white and blue Medicare card when I visit the doctor?
No. You’ll get a Humana member ID card that will take its place. Keep your Medicare ID card in a safe place—or use it only when it’s needed for discounts and other offers from retailers.

What should I do if I move or have a temporary address change?
If you move to another area or state, it may affect your plan. It’s important to contact your group benefits administrator for details and call to notify Humana of the move.

What should I do if I have to file a claim?
Call Humana Group Medicare Customer Care for more information and assistance. To request reimbursement for a charge you paid for a service, send the provider’s itemized receipt and the Health Benefits Claim Form (also available at Humana.com) to the claims address on the back of your Humana member ID card. Make sure the receipt includes your name and Humana member ID number.

What if I have other health insurance coverage?
If you have other health insurance, show your Humana member ID card and your other insurance cards when you see a healthcare provider. The Humana Group Medicare plan may be eligible in combination with other types of health insurance coverage you may have. This is called coordination of benefits. Please notify Humana if you have any other medical coverage.

When does my coverage begin?
Your former employer or union decides how and when you enroll. Check with your benefits administrator for the proposed effective date of your enrollment. Be sure to keep your current healthcare coverage until your Humana Group Medicare PPO plan enrollment is confirmed.

What if my service needs a prior authorization?
If your medical service or medication requires a prior authorization, your provider can contact Humana to request it. You can call Customer Care if you have questions regarding what medical services and medications require prior authorization.

What if my provider says they will not accept my plan?
If your provider says they will not accept your PPO plan, you can give your provider the “Group Medicare Provider Information” flyer. It explains how your PPO plan works. You can also call Customer Care and have a Humana representative contact your provider and explain how your PPO plan works.

**ADDITIONAL DRUG COVERAGE**

Original Medicare excluded drugs

Certain drugs excluded by Original Medicare are covered under this plan. You pay the cost share associated with the tier level for certain WV Buy-up, Cough/Cold, Vitamins/Minerals, Erectile Dysfunction drugs. The amount you pay when you fill a prescription for these drugs does not count towards qualifying you for the Catastrophic Coverage stage. Contact Humana Group Medicare Customer Care at the phone number on the back of your membership card for more details.

**Coverage Gap**

Most Medicare drug plans have a coverage gap (also called the "donut hole"). The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches $4,660. After you enter the coverage gap, you pay a portion of the plan's cost for covered brand name drugs and covered generic drugs until your costs total $7,400, which is the end of the coverage gap. Not everyone will enter the coverage gap.
Catastrophic Coverage

After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach $7,400, you pay the greater of either:

- **$4.15** for generic (including brand drugs treated as generic) and a **$10.35** copay for all other drugs, **OR**
- **5%** coinsurance
  - **One-month Retail:** $100 maximum out-of-pocket per prescription for a one-month supply regardless of tier.
  - **Three-month Mail order:** $100 maximum out-of-pocket per prescription excluded specialty tier.
PEIA Retiree Benefit Assistance Program

The PEIA retiree benefit assistance program offers qualified retirees reduced copayment on certain services. If PEIA determines you qualify for this assistance, the copayments for the services listed below will apply. For services not listed here, the copayments on the previous pages will apply. For more information regarding qualifications, please contact PEIA.

Deductible

Pharmacy (Part D) deductible  This plan has a $150 deductible.

Prescription Drug Benefits

Initial coverage (after you pay your deductible, if applicable)
You pay the following until your total yearly drug costs reach $4,660. Total yearly drug costs are the total drug costs paid by both you and our Part D plan. After your Maximum out-of-pocket drug costs reach $1,900, Humana pays 100% of your total drug costs.

Tier | Standard Retail Pharmacy | Standard Mail Order |
--- | --- | --- |
30-day supply | | |
1 (Generic or Preferred Generic) | $5 copay | $5 copay |
2 (Preferred Brand) | $20 copay | $20 copay |
3 (Non-Preferred Drug) | 50% of the cost | 50% of the cost |
4 (Specialty Tier) | $100 copay | $100 copay |
90-day supply (Maintenance Drugs) | | |
1 (Generic or Preferred Generic) | $10 copay | $10 copay |
2 (Preferred Brand) | $40 copay | $40 copay |
3 (Non-Preferred Drug) | 50% of the cost | 50% of the cost |
4 (Specialty Tier) | N/A | N/A |

**Some Immunosuppressive Drugs are covered at 100% for all members.

There may be generic and brand-name drugs, as well as Medicare-covered drugs, in each of the tiers. To identify commonly prescribed drugs in each tier, see the Prescription Drug Guide/Formulary. To view the most complete and current Drug Guide information online, visit www.humana.com/SearchResources, locate Prescription Drug section, select www.humana.com/MedicareDrugList link; under Printable drug lists, click Printable Drug lists, select future plan year, select Group Medicare under Plan Type and search for GRP11.

ADDITIONAL DRUG COVERAGE

Original Medicare excluded drugs  Certain drugs excluded by Original Medicare are covered under this plan. You pay the cost share associated with the tier level for certain WV Buy-up, Cough/Cold, Vitamins/Minerals, Erectile Dysfunction drugs. The amount you pay when you fill a prescription for these drugs does not count towards qualifying you for the Catastrophic Coverage stage. Contact Humana Group Medicare Customer Care at the phone number on the back of your membership card for more details.

Coverage Gap

Most Medicare drug plans have a coverage gap (also called the "donut hole"). The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches $4,660. After you enter the coverage gap, you pay a portion of the plan's cost for covered brand name drugs and covered generic drugs until your costs total $7,400, which is the end of the coverage gap. Not everyone will enter the coverage gap.
Catastrophic Coverage

After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach $7,400, you pay the greater of either:

- **$4.15** for generic (including brand drugs treated as generic) and a **$10.35** copay for all other drugs, OR
- **5%** coinsurance
  - One-month Retail: **$100** maximum out-of-pocket per prescription for a one-month supply regardless of tier.
  - Three-month Mail order: **$100** maximum out-of-pocket per prescription excludes specialty tier.

Virtual care where you’re most comfortable

Telehealth visits are available through your Humana plan

The doctor is in, even if you can’t or don’t want to go into an office. Telehealth visits allow you to get nonemergency medical care through your phone,* tablet or computer.†

Use telehealth for help with chronic condition management, follow-up care after an in-office visit, medication reviews and refills, and much more—just like an in-office visit.

Remember, when you have a life-threatening injury or major trauma, call 911.

Ask your trusted provider if they offer telehealth visits and if so, what you need to do to get started

If you don’t have a primary care provider or if your provider doesn’t offer virtual visits, you can use the “Find a doctor” tool on Humana.com or call the number on the back of your member ID card to get connected with a provider that offers this service.

* Depending on the initial consultation, video may be required for telehealth visits.
† Standard data rates may apply.

Delivering the care you need securely, conveniently and on your terms—that’s human care.
Limitations on telehealth services, also referred to as virtual visits or telemedicine, vary by state. These services are not a substitute for emergency care and are not intended to replace your primary care provider or other providers in your network. Any descriptions of when to use telehealth services are for informational purposes only and should not be construed as medical advice. Please refer to your Evidence of Coverage for additional details on what your plan may cover or other rules that may apply.

Where you get your vaccines may determine how it is covered

Your Group Medicare plan provides coverage for vaccines, but that coverage depends on the specific vaccine and where you get it. Knowing how your coverage works may save you from paying for vaccines out of pocket.

**At your provider’s office**
The Medicare Part B portion of your plan pays for the following vaccines at your provider’s office and at the pharmacy:
- Influenza (flu) vaccine—once per season
- Pneumococcal vaccines
- Hepatitis B vaccines for persons at increased risk of hepatitis
- Vaccines directly related to the treatment of an injury or direct exposure to a disease or condition, such as rabies and tetanus

**At a network pharmacy**
The Medicare Part D portion of your plan covers all commercially available vaccines—except for those covered by Part B—as long as the vaccine is reasonable and necessary to prevent illness.

**Get vaccines like the ones listed below at a network pharmacy**
If you get them at your doctor’s office, you’ll pay the full cost of the vaccine out of pocket.

Here are some common vaccines that you should get at your pharmacy, not from your doctor.
- **Shingles**: A virus that causes a painful rash in people who have previously had chickenpox.
- **Tdap**: This booster vaccine protects against tetanus, diphtheria and pertussis (whooping cough). (If you need a tetanus shot due to injury, Medicare Part B will cover that from your doctor.)
- **Hepatitis A**: This highly contagious liver infection can range in severity from a mild illness lasting a few weeks to a severe illness lasting several months.

**Important information for your pharmacist**
