Open Enrollment

Open enrollment is coming to a close and I am sure you are very thankful for that. As a BC, you have until May 23, 2025, to get your enrollments made online. We have seen the number of online enrollments and appreciate your dedication to making that happen for our members.

We appreciate all the emails, the calls, the frustrated members and the last-minute details that you have dealt with.

You are in the home stretch, and you are not alone. If you have issues or questions, please reach out to your eligibility specialist or myself.

WELCOME TO THE TEAM

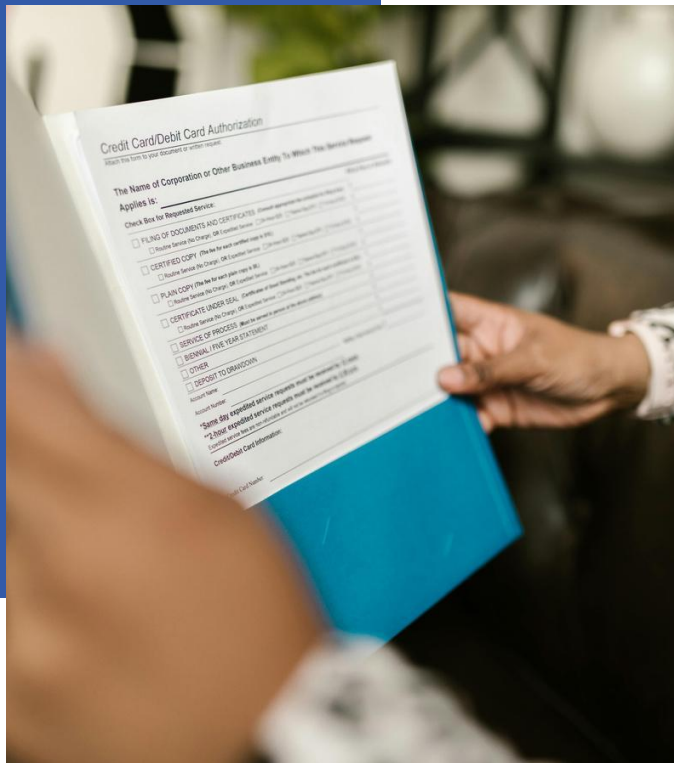

PEIA 101 is a perfect way to begin as a part of our PEIA team.

Thank you to those who participated .

Our next class is August 5, 2025.

We look forward to a great partnership with you to better serve our members.

We extend a warm welcome and sincere gratitude to all 14 of our new Benefit Coordinators who participated on May 6. It was a pleasure to connect with such an engaging group, characterized by lively interaction, positive energy, and camaraderie.

BC Banter

- Our next open forum virtual call will be May 22, 2025. Please join us for lively discussion, open conversation and end of Open Enrollment updates.

- You will not want to miss the June BC Banter.

We will have a representative from CPRB to discuss changes to Tier II retirement.

- July 1 Early Warning Report (EWR) will not be available until on or around June 28. You will receive an email when it is available.

Shout Out to You!

- Great job to Jeny Boggs for being proactive and requesting fliers to hang regarding the Personify rebranding to keep members informed.
- Shout out to Tammy Gill for noticing that the call had two different times so that I could correct that!
- Great Catch Terri Harwood! Terri noticed that the telephone number for SunLife is incorrect. Please use the number found in your OE presentation and correct it in your books.
That will save us all a lot of headaches.
- Nice Job Teresa Conner who

and reported an error!

PEIA has provided presentations for Benefit Coordinators to be able to make available to your members regarding the Open Enrollment Changes for Plan Year 2026. You can find them under the Partners/Benefit Coordinator /Open Enrollment Training.
