Re: Reimbursement of Postpartum Long-Acting Reversible Contraception Devices (LARC)

PEIA PPB Reimbursement Policy

EFFECTIVE DATE: July 1, 2016

Effective 7/1/2016, Hospitals and other facilities may receive reimbursement for Long-Acting Reversible Contraception(LARC) Devices placed postpartum, in addition to the DRG reimbursement.

Postpartum refers to the period after delivery but prior to discharge.

In addition to the inpatient claim, providers must submit a CMS 1500 with the appropriate procedure codes for the LARC device.

Reimbursement will be based on the PEIA fee schedule in effect, on the date the service is provided.
