

**DECEMBER
2025**

Warm Wishes

As the year draws to a close, we want to extend our warmest wishes for a joyous holiday season and a healthy, prosperous New Year. Thank you for your exceptional partnership throughout 2025. We deeply appreciate your commitment and collaboration, and we look forward to continuing our work together in the year ahead.

Shout Outs!

- **Denita Walker**, BC for **FMRS Health Systems** and **Brooklynn Laywson**, from the **Beckley Housing Authority** for their assistance in the BC Banter Chat during our last session. You both were very helpful.

Plan Changes

The PEIA Finance Board approved changes for Plan Year 2027. Proposed changes were presented to the public last month during the PEIA Public Hearings. To see the approved changes please refer to the December 4, 2025, PEIA [Finance Board Presentation](#).

What's in Your Toolbox?

Prescription Drug Plan Price Comparison

As healthcare costs continue to rise, every penny saved can make a difference. Did you know that Benefit Coordinators and members have access to the Price Comparison Tools available with Express Scripts to assist in determining out of pocket expenses on prescriptions drugs? Click the link and do your homework before you head to the pharmacy to determine the best plans for you and your family. [Express Script Price Comparison Tool](#)

SaveOnSP

Express Scripts provides members with access to a copay assistance program, administered by SaveOnSP, designed to help offset costs for select specialty medications. Participation in this program is mandatory and participants are enrolled automatically.

SaveOn reaches out when it identifies eligible members taking the drugs that are included. A list of drugs eligible under the SaveOnSP programs can be found [here](#).

Additional Suggestions for RX Savings

- Use generics medications, when possible
- Ask your provider if a [formulary brand](#) is available
