WELCOME TO THE TEAM

PEIA 101 is a perfect way to begin as a part of our PEIA team.

Thank you to those who participated.

Our next class is May 6, 2025.

We look forward to a great partnership with you to better serve our members.

Open Enrollment

Thank you to all Benefit Coordinators who took time out of their work schedule to attend the Open Enrollment Meetings. I believe that there was a lot of good conversation and networking.

I look forward to the virtual Open Enrollment meetings on April 2 and 3. It is still open for BCs to attend, even if you already attended in person.

Shout Out to You!

THANK YOU

Great job to Janie Belcher for training employees so well on MMB that they were logging into it and asking questions as I did the training.

Shout out to Necole Washington who immediately checked to see if she was getting emails from PEIA after hearing that in the OE BC meeting. Thank you for being so attentive in the meeting and following up on what was said.

Thank you to Amanda Stickle for being efficient, thorough, and is always on top of taking care of their employees.

PEIA has provided presentations for Benefit Coordinators to be able to make available to your members regarding the Open Enrollment Changes for Plan Year 2026. You can find them under the Partners/Benefit Coordinator /Open Enrollment Training.
