

Medicare Retiree Benefit Guide

27

Open Enrollment is
October 1-31, 2026

During the Medicare open enrollment period, you will receive marketing materials from multiple plans.

PLEASE NOTE: If you enroll in another Medicare Advantage Plan, you will be disenrolled from the PEIA/Humana plan.

Medicare Retiree Benefit Guide

The Fine Print

This Benefit Guide is not intended to be a formal statement of benefits. It is designed to provide general information about the available plans. It is intended to be a first step in helping you choose the most appropriate health benefit plan for you and your family.

Questions about particular benefits, limitations, costs, providers, or restrictions should be directed to Humana for answers. When you enroll in a plan, Humana will send you an “evidence of coverage” booklet with more complete details of your benefits.

Before enrolling, assure yourself that the plan you choose offers a level of care and convenience with which you and your family will feel comfortable. Once you have enrolled in a plan, Medicare will not allow you to make a change until the following plan year, so choose wisely.

We have tried to ensure that the information in this booklet is accurate. If, however, a conflict arises between this Guide and any formal plan documents, laws or rules governing the plans, the latter will necessarily control.

What's Important for 2027?

How to log in or set up your account:

Go directly to the portal: Visit **wvpeia.hroffice.com**

Or visit our main homepage: Go to **peia.wv.gov** and click the link for the **ACCESS Member Portal**.

- You must complete an Open Enrollment form if you elect to change plans. To request a form, call the Open Enrollment Helpline at **1-877-676-5573**.
- If you have anyone covered on your plan who is NOT Medicare-eligible, you CANNOT join Humana/PEIA Plan 2.

- You may have heard about PEIA's Spousal Surcharge. This surcharge does NOT apply to Medicare retirees.
- Please note that you must show proof of Medicare by sending PEIA a copy of your card.

How to Have a Successful Open Enrollment

- Read through What's Important for 2027, the Benefits at-a-Glance chart, and the Premiums and Rates section to determine which plan is right for you and your family.
- Review the side-by-side comparison of the plans in the Benefits at-a-Glance chart. You'll see plan names across the top of the chart, and health care services listed down the side. Just find a service you or your family members use and read across the chart to see how much you'll have to pay for that service under each plan.
- Check the premium table for the type of coverage you have (policyholder only, policyholder with Medicare dependents, policyholder with non-Medicare dependents), and your years of service to find the premium for the plan you want.
- Premiums for health coverage and optional life insurance are based on your tobacco-use status. All enrolled members must have been tobacco-free by July 1, 2026, to qualify for the premium discount. In the premium chart, we've printed only the standard health insurance premium; if you are tobacco-free, you must subtract \$25 for a single plan or \$50 for a family plan to get your correct premium. PEIA may review medical records to check tobacco use.
- If you want to change plans, you must complete an Open Enrollment form. To get a form, call the **PEIA's Open Enrollment Helpline at 1-877-676-5573**.

- If you want to change your tobacco status, call PEIA's Open Enrollment Helpline number, **1-877-676-5573**, and follow the prompts on the telephone to report your status. You also can update your tobacco status at any time by clicking the **PEIA ACCESS** button at **peia.wv.gov**. If you are already registered, just enter your ACCESS ID number and password to enter the site. If you've forgotten your password, click "Forgot Password" If you haven't used the site before, click on "New User Registration" and follow the instructions.

Medicare consists of four parts, A, B, C and D. Parts A and B provide medical coverage to Medicare Beneficiaries. To be eligible for benefits from PEIA, the Medicare-eligible member is REQUIRED to enroll for both Medicare Parts A and B.

Medicare Advantage and Prescription Drug Plans: Medicare Advantage and Prescription Drug Plans provide benefits on behalf of Medicare. Humana's Medicare Advantage and Prescription Drug Plans cover PEIA's Medicare retirees' medical and prescription benefits. Medicare and PEIA both have a contract with Humana, and Humana, in turn, pays benefits on behalf of both plans.

Eligibility Rules

This section offers general information about eligibility that you may need during Open Enrollment. For complete details, please refer to your Medicare Advantage Plan or Special Medicare Plan benefit booklet. Both booklets are on the web at peia.wv.gov.

Who Is Eligible to Transfer or Enroll?

Current Members

Current Medicare-eligible retirees in the Humana plan or the PEIA Special Medicare Plan or PEIA-sponsored life insurance only (no health insurance), may join any plan, as long as all enrolled family members are Medicare-eligible.

Medicare Retirees with non-Medicare Dependents

This is the category that is often referred to as “split families” where one family member is in the Humana Plan and at least one other enrolled family member is in the PEIA PPB Plan. Insureds in this category may not join Humana/PEIA Plan 2. Once all members of the family are Medicare-eligible, you may make the choice for Humana/PEIA Plan 2.

Premium and/or Benefit Assistance

PEIA offers assistance to retired employees and surviving dependents whose household income is at or below 250% of the Federal Poverty Level. Members receiving premium and/or benefit assistance may not enroll in Humana/PEIA Plan 2.

Members Using Sick and/or Annual Leave or Years of Teaching Service to Extend Employer-Paid Coverage

Members in this category may enroll in whichever Humana/PEIA plan they choose. Those who have been continuously covered since before July 1, 1988, (former employer is paying 100% of the premium) will not benefit from joining Humana/PEIA Plan 2, since it will raise their out-of-pocket costs and they won't reap any benefit from the premium reduction.

Eligible Non-Members

Medicare retirees who are eligible for benefits may enroll in any plan for which they qualify during the Open Enrollment Period.

Eligible Dependents

You may enroll the following dependents:

- Your legal spouse (unless you are enrolled as a surviving dependent).
- Your biological or adopted children and stepchildren under age 26.
- Other children for whom you are the court-appointed guardian to age 18.

Other Eligibility Details

Medicare Parts A and B Required

As a retired employee or a dependent of a retired employee, when you become an eligible Medicare beneficiary, you must enroll in Medicare Parts A and B. Medicare Part A is an entitlement program and is available without payment of a premium to most individuals. Part B is the supplementary medical insurance program that covers physician services, outpatient laboratory and x-ray tests, durable medical equipment and outpatient hospital care. Part B requires payment of a monthly premium, and PEIA requires that you enroll for Part B to be eligible for PEIA benefits.

Medicare Part D

If a member enrolled in a Humana Plan enrolls for a separate Medicare Part D plan, Medicare will disenroll the member from the Humana Plan. Disenrollment from the Humana Plan cancels all PEIA health and prescription drug benefits for that member. **If you are in a Humana Plan, DO NOT enroll in a separate Medicare Part D plan.**

Members Who Reside and Incur Medical Claims Outside the U.S.

Medicare-eligible retirees who reside and incur medical claims outside the United States have benefits through the Special Medicare Plan. Medical claims are processed by UMR, and the PEIA plan will pay only the amount which would have been paid if Medicare had processed your claim and made a payment. Prescription drug claims are processed by Express Scripts. You will be responsible for any amounts not paid by PEIA. If you are planning to move outside the U.S., contact PEIA's Customer Solutions.

Members Who Receive Veteran's Administration (VA) Benefits

If you receive VA benefits, you must choose, for each prescription you fill, whether to submit the claim to the VA or to Humana for reimbursement. You should look carefully at what your cost will be under each benefit plan and make the decision that is best for you. If you receive VA benefits for outpatient medical services, you may submit any bills you receive from the VA to Humana for reimbursement of the "patient share" amount.

Surviving Dependents

Surviving dependents who are covered by the Medicare Advantage and Prescription Drug Plan are automatically enrolled for coverage effective on the first of the month following the death of the policyholder. Surviving dependents are mailed a letter and disenrollment form upon notification of the policyholder's death. The letter includes the monthly premium for the surviving dependent health coverage, and instructions for the survivor. Coverage is automatically continued for one month. If the surviving dependent wishes to remain covered by PEIA, he or she must pay the monthly premium. If the policyholder wishes to cancel this coverage, he or she simply completes the form mailed by PEIA and submits it. Coverage will be cancelled at the end of the month following receipt of the cancellation form.

Qualifying Events

A qualifying event is a personal change in status which may allow you to change your benefit elections.

Qualifying events which end eligibility for a dependent (such as divorce) must be reported immediately. All qualifying events require substantiating documentation as detailed in the chart on the next page.

Qualifying Event	Documentation Required
Divorce	Copy of the divorce decree showing that the divorce is final. A "bifurcated" divorce ends the marriage and the eligibility of the now ex-spouse and therefore must be reported immediately.
Marriage (of policyholder or dependent)	Copy of a valid marriage license or certificate. The dependent child's marriage is a qualifying event for the policyholder to remove the dependent child from coverage. The policyholder MAY remove the child, but is not required to do so.
Birth of child	Copy of child's birth certificate
Adoption	Copy of adoption papers
Adding coverage for a dependent child	Copy of child's birth certificate
Adding coverage for any other child who resides with policyholder	Copy of court-ordered guardianship papers
Open Enrollment under spouse's or dependent's employer's benefit plan	Copy of printed material showing open enrollment dates and the employer's name
Death of spouse or dependent	Copy of death certificate
Beginning of spouse's or dependent's employment	Letter from the employer stating the hire date, effective date, what coverage was added, and what dependents are covered.
End of spouse's or dependent's employment	Letter from the employer stating the termination or retirement date, what coverage was lost, and dependents that were covered.
Significant change in health coverage due to spouse's or dependent's employment	Letter from the insurance carrier indicating the change in insurance coverage, the effective date of that change and dependents covered.
Unpaid leave of absence by employee, spouse or dependent	Letter from the employer stating the date the covered person went on unpaid leave or returned from unpaid leave.
Change from full-time to part-time employment or vice versa for policyholder, spouse or dependent	Letter from the employer stating the previous hours worked and the new hours worked and the effective date of the change.
Incarceration or otherwise being placed in the legal custody of State or Federal authorities	Copy of the Court Order or sentencing decree

Removal from the legal custody of the policyholder	Copy of documents that reflect the removal from legal custody, i.e. Court Order; Child Protective Service Notice, other.
Change in residence	▪ Moving to a different ZIP code or county ▪ A student moving to or from the place they attend school ▪ A seasonal worker moving to or from the place they both live and work ▪ Moving to or from a shelter or other transitional housing
Other qualifying events as defined by qualifying life event glossary at HealthCare.gov	▪ Changes in your income that affect the coverage you qualify for ▪ Gaining membership in a federally recognized tribe or status as an Alaska Native Claims Settlement Act (ANCSA) Corporation shareholder ▪ Becoming a U.S. citizen ▪ Leaving incarceration (jail or prison) ▪ AmeriCorps members starting or ending their service

If you experience a qualifying event, you have the month of the event and the two following calendar months to act upon that qualifying event and change your coverage. If you do not act within that timeframe, you cannot make the change until the next open enrollment. **Qualifying events which end eligibility (such as divorce) must be reported immediately.**

Comparing the Plans

The table on the next page shows the differences among the plans offered by PEIA and Humana. You should look closely at the benefits and consider how you use health care and how much health care you use. Also check out the premium charts on [page 19](#) to see how much you'll pay for the plan you choose.

Humana/PEIA Plan 1 with Benefit Assistance is offered **ONLY** to low-income retirees who have qualified for PEIA's Premium and Benefit Assistance program. Applications were mailed in April. If you believe you may be eligible, and have not yet applied, call PEIA's customer service unit at **1-888-680-7342** or find the form on the web at **peia.wv.gov**.

Paying for Your Benefits

Premium Discount

PEIA offers a premium discount on the Special Medicare Plan, the Medicare Advantage and Prescription Drug Plan, and optional life insurance to retired policyholders who verify through a tobacco affidavit that all enrolled family members are tobacco-free. Tobacco-free plan members subtract \$25 from the premium for policyholder only coverage or \$50 from the family premium. To qualify for the Tobacco-free Preferred Premium for all of Plan Year 2027, you and all enrolled family members must have been tobacco-free by July 1, 2026.

Tobacco status: If your tobacco status or a dependent's tobacco status has changed, go to the website, **peia.wv.gov**, and log into **PEIA ACCESS** or call PEIA at **1-877-676-5573**.

¹ This rate assumes one person on Medicare. If you have more than one, subtract \$22 for each additional Medicare Member.

² This rate assumes two people on Medicare. If you have more than two, subtract \$22 for each additional Medicare Member.

³ These rates are also provided to all Medicare retirees who retired prior to July 1, 1997, to all Medicare surviving dependents and to all Medicare disability retirees. Beginning July 1, 2015, surviving dependents enrolling in the PEIA plan will pay premiums based on the years of service earned by the deceased policyholder. Surviving dependents enrolled before July 1, 2015, are grandfathered under the previous benefit and continue to pay premiums based on 25 or more years of service.

⁴ This premium rate is provided to all employees hired on and after July 1, 2010. This rate represents the full premium with no subsidy from active employers or employees. Two classes of employees hired on and after July 1, 2010, will not be required to pay the unsubsidized rate: 1) active employees who were originally hired before July 1, 2010, and who have a break in service of fewer than two years after July 1, 2010; and 2) retired employees who retired before July 1, 2010, come back to active service after July 1, 2010, and then go back into retirement. In those cases, the original hire date will apply.

Tobacco-free plan members subtract \$25 from the premium for employee-only coverage or \$50 from the family premium. To qualify for the Tobacco-free Premium for all of Plan Year 2027, you and all enrolled family members must have been tobacco-free by July 1, 2026. If your tobacco status has changed, you MUST report the change. See [page 16](#).
