

# Medicare Retiree Premium & Benefit Assistance Programs

## Medicare Plan Year 2023 January 1, 2023 through December 31, 2023

**This application is for premium and benefit assistance beginning January 1, 2023.** We are collecting this information now because it's tax time and you should have all of the necessary information at hand.

PEIA offers premium and benefit assistance to retired employees and surviving dependents who qualify. Assistance is based on the years of service of the policyholder. Here are the two components:

1. **Premium assistance:** reduces the monthly premium payment for the retiree or surviving dependent. Premium assistance is available to Medicare retirees with at least 5 years of service.
2. **Benefit assistance:** reduces the medical and prescription drug out-of-pocket costs for retirees with Medicare and at least 15 years of service.

### Premium Assistance:

The premium assistance program pays part of your health insurance premium if your gross income is less than 250% of Federal Poverty Level. To qualify for premium assistance, you must meet **all** of the following criteria:

- you must have 5 or more years of service,
- you must be enrolled in the Humana/PEIA Plan 1 or the PEIA Special Medicare Plan, and
- your household income during calendar year 2021 must have been at or below 250% of the Federal Poverty Level (FPL).

### Premium AND Benefit Assistance:

To qualify for premium **and** benefit assistance, you must meet all of the following criteria:

- Medicare must be your primary insurance,
- you must have 15 or more years of service,
- you must be enrolled in the Humana/PEIA Plan 1 or the Special Medicare Plan, and
- your household income during calendar year 2021 must have been at or below 250% of the Federal Poverty Level (FPL).

Below is a chart with the income guidelines and corresponding poverty level. Find the number of people in your household, then look across the chart to find your total annual household income. The gray box above your income will tell you your percentage of the federal poverty level, and that will determine the amount of assistance you may receive.

If your credits will run out before December 31, 2023, you may apply now. If your application is approved, premium assistance will begin when your credits end.

### **Deadline for Applications**

**If you want your assistance to begin on January 1, 2023, we must receive your application before November 6, 2022.** The applications will be processed in the order received. You may apply for assistance at any time during the year, but if we receive your application after November 6, 2022, we will process it as quickly as possible and, if you qualify, your premium and benefit reductions will be effective the first day of the month following the date of your approval.
