BC Banter

BC Banter is an excellent opportunity to connect with other BCs, to learn about how your colleagues are addressing challenges that they have experienced and to receive updates about things happening at PEIA. Great discussions are always happening in BC Banter. We hope that you will join us. You will find it beneficial. Our next session will be held on October 20, 2025 at 10am.

Vaccines

Vaccines are available to members as recommended by the CDC. Information about covered vaccines can be found on page 69 of the [Summary Plan Description](#).

TeleHealth

Cold and Flu season are coming and it is a great time to send out a reminder that PEIA members have access to Telehealth. This is an easy way to access non-emergency healthcare. Call to schedule a time for a provider to call you back to address your needs. Talk to them at your convenience and get your prescriptions called into a pharmacy near you. Keep yourself and your loved ones out of the waiting rooms.

PPB Plan members may call Revive Health at 1-844-433-8123 and use the access code WV1144 to get a \$10 copay.

The Health Plan members may contact Healthiestyou.com at 866-703-1259 or visit Healthiestyou.com and will have a \$0 copay.
