

Non-Medicare Retiree Premium Assistance Program

Plan Year 2015 July 1, 2014 through June 30, 2015

Each year at this time, the PEIA offers Premium Assistance to retired employees and surviving dependents who qualify. Premium assistance reduces the monthly premium payment for the retiree or surviving dependent. Premium assistance is available to non-Medicare retirees with at least 5 years of service.

The premium assistance program pays part of your health insurance premium if your gross income is less than 250% of the Federal Poverty Level (FPL). To qualify for premium assistance you must meet **all** of the following criteria:

- you must have 5 or more years of service,
- you must be enrolled in the PEIA Preferred Benefit Plan (PPB) Plan A or B, and
- your household income during calendar year 2013 must have been at or below 250% of the FPL.

Below is a chart with the income guidelines and corresponding poverty level. Find the number of people in your household, then look across the chart to find your total annual household income. The gray box above your income will tell you your percentage of the FPL, and that will determine the amount of assistance you may receive.

Federal Poverty Level				
Individuals in Household	<100%	100%-150%	150%-200%	200% - 250%
1	\$11,670 or less	\$11,671 – 17,505	\$17,506 – 23,340	\$23,341– 29,175
2	\$15,730 or less	\$15,731 – 23,595	\$23,596 – 31,460	\$31,461 – 39,325
3	\$19,790 or less	\$19,791 – 29,685	\$29,686 – 39,580	\$39,581 – 49,475
4	\$23,850 or less	\$23,851 – 35,775	\$35,776 – 47,700	\$47,701 – 59,625
Each additional person add	\$4,060	\$6,090	\$8,120	\$10,150

Find your poverty level and your years of service in the chart below. This will show you the dollar amount of the premium reduction for which you are eligible. For example, if you had 20 years of service, your income is \$16,500 and you are the only individual in your household, then your poverty level is 100%-150%. In the chart below, go to the column labeled “100-150% of FPL” and the row labeled 15–24. You are eligible for a monthly premium reduction of \$50.

This amount will be deducted from your monthly premium for non-Medicare coverage. If the amount of the reduction is greater than the premium, then the premium due will be \$0.

Sick and Annual Leave or Years of Service Credits

If you are using sick or annual leave or years of service credits to get free or reduced premiums, **please do not fill out this form -- unless** you will run out of credits before June 30, 2015. If your credits will run out before June 30, 2015, you may apply now. If your application is approved, premium assistance will begin when your credits end.

Deadline for Application

If you want your assistance to begin on July 1, 2014, we must receive your application before June 7, 2014. Applications will be processed in the order received. You may apply for assistance at any time during the year, but if we receive your application after June 7, 2014, we will process it as quickly as possible and, if you qualify, your premium reduction will be effective the first day of the month following the date of your approval. PEIA will not issue credit for previous months' premiums. You will receive a letter informing you of your approval or denial of your application.

Remember, you may also reduce your premium by qualifying for the Advance Directive/Living Will discount. To get the \$4 per month discount, complete a Living Will, then send PEIA a completed Advance Directive/Living Will affidavit. If you submitted an Advance Directive/Living Will Affidavit last year, you do not need to submit another one this year; you will automatically continue to get your discount. If you need an affidavit, please call our customer service unit at 1-888-680-7342 to request one.
