PEIA Provider Directory For:
Comprehensive Care Partnership (CCP)
Healthy Tomorrows Pick a PCP (PCP)

March 07, 2019

How to Use This Directory

- This directory lists West Virginia primary care providers (**PCP**), including those who have opted to participate in PEIA's comprehensive care partnership (**CCP**).
- This directory lists a variety of health care providers who you may select as your **PCP** to meet the requirements of the Healthy Tomorrows Program. You may also choose a provider not listed in this directory, and still meet your Healthy Tomorrows requirement.

Note: You are not required to participate in the **CCP** program, but if you do, you automatically fulfill the Healthy Tomorrows requirement to select a PCP.

- Providers are listed in two groups by type. Within the type - they are listed in alphabetical order by county. **PCP** providers are listed first. **CCP** providers appear next, with individual providers shown under each location.
- If you want to participate in the **CCP** program or if you see a physician that you wish to select as your **PCP**, enter the provider's number online or on your form.
- You may repeat the selection process for each of your dependents, but you are not required to do so.
- There currently is no or a reduced co-pay for the **CCP** program. The **PCP** co-pay is \$20.
